Pepper, Annice Kim, 2022-06-08 Delta 8 tetrahydrocannabinol THC is a newly popular cannabinoid that can be purchased easily at gas stations vape shops and online retailers in most regions of the United States The US Food and Drug Administration FDA has expressed the need for novel data sources to understand the use of products like Delta 8 and rapidly detect potential safety issues Using social media platform Reddit we examined users reported experiences with Delta 8 We collected publicly available Reddit posts of Delta 8 from January 2020 through April 2021 using Brandwatch a commercially available social media listening platform We identified the names of popular subreddits trends in post volume and frequent topic phrases for Delta 8 Approximately 57 913 Reddit posts were collected from 11 333 unique users across 708 subreddits Most frequently discussions were about available products locations for purchase overall safety and legality reactions to the product and general experiences Given the lack of regulation and testing questionable legality and the product's wide availability at retail and online locations Delta 8 products should be a concern for health officials Monitoring social media platforms like Reddit can help FDA achieve its regulatory and consumer protection goals for emerging cannabis products

WallStreetBets Jaime Rogozinski, 2020-01-30 The stock market and by extension the greater financial system has lost touch with its fundamental purpose for existing There was a time when the stock market was a mechanism for growing businesses to raise money playing a large role in the industrial revolution boosting America to a global superpower Today the stock market has morphed into a high tech system of fluctuating arbitrary numbers which are used by individuals and industries alike to find profit opportunities by placing bets masqueraded as sophisticated financial maneuvers with fancy labels and acronyms Nowhere is this more evident than with the tendencies observed today There is a shocking trend by today's Millennial generation to shamelessly and unapologetically find ways to use the stock market to place very high risk bets And unlike formal Wall Street investment institutions these gamblers of sorts don't attempt to disguise the game they are proud to call Wall Street a casino Jaime Rogozinski combs through various elements of how reckless investors play Wall Street similar to a casino He illustrates these often in playful ways using entertaining and compelling real world anecdotes His stories are taken straight from Reddit's r/wallstreetbets community which Jaime founded in 2012 and currently has more than 800 000 followers in addition to 3 million unique visitors a month WallStreetBets is a forum based gathering where people are notoriously known for taking a brazen and public approach at gambling with the stock market
