better way to relax than getting lost in a love story. With its characters, scenarios, and complicated yet heartfelt relationships, these stories are just the kind of distraction we need. **Dandelion Throne** Paige Suzanne Patno, 2024

When I decided to write a fantasy romance or romantasy novel, I knew it would be important to focus on what makes this novel different from others in the genre. In today's leisure reading climate, there is a plethora of content available to consumers, usually in the form of accessible and self-published titles. With the oversaturation of publications in the genre, *Dandelion Throne* has required that I be vigilant of my content to ensure I'm contributing something new to the genre. There are several common practices in fantasy writing I want to challenge in *Dandelion Throne*, so I selected several touchstone pieces to draw inspiration from and/or challenge when outlining and writing the novel. As a writer, it is important to pay attention to what books are popular in the genre I am writing. Because of this, I wanted to use Sarah J. Maas' *A Court of Thorns and Roses* series or *ACOTAR* as one of my touchstones. I enjoy reading these novels, but I also find glaring issues in the content that I wanted to challenge in *Dandelion Throne*. I also decided to use Erika Johansen's *Queen of the Tearling* trilogy as another touchstone, because her protagonist is well-developed, well-written, and would serve me well for inspiration writing a royal character. Johansen's series manages to be both politically charged and accessible, reading I admire the protagonist's keen skills in politics and diplomacy, and thought it would serve me well when it came to writing about my protagonist's place on the throne. My project is not a political fantasy, but with my protagonist being in a royal role, I want to be competent at writing political undertones and subplots to make her place on the throne believable.
