Which Level or PowerPoint Should I Start With?

Some schools follow Twinkl's recommended scheme into Levels, and other schools follow other schemes of work, which are also available on Twinkl. The Phonics resources align with the phonic sets from the UK Letters and Sounds and DfES documents.

Your children's school will tell you which scheme they use. If you are at school or you could use this as a starting point. If you are at home, you can start with the 'Starting with Phonics' PowerPoint. This will give your child the opportunity to learn the sounds of the letters and will ensure they feel confident going forward. The Phonics resources are designed to be used consistently through the PowerPoints.
