2026 Guide Psychological Suspense:

Writers' Handbook 2026 J. Paul Dyson,2025-07-10 The 2026 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1 400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5 000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural, Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies, Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

Writers' & Artists' Yearbook 2026 Bloomsbury Publishing,2025-07-17 The 119th edition of the indispensable bestselling guide to everything you need to know about publishing. A vital resource for all writers looking to get published, including authors, poets and screenwriters.

Every Little Breath Keri Beevis,2023-09-24 An unbelievably twisty tension packed psychological thriller from bestselling author Keri Beevis. A radio DJ is tormented by a twisted killer who has a gruesome request. I was nineteen when I discovered my boyfriend's father was a serial killer. I stumbled upon his latest victim tied up in the basement of the house he was renovating and it was my evidence that helped convict him to a life in prison. My boyfriend never forgave me for turning against his dad and a couple of years later took his own life. That was fifteen years ago. I am now a local evening radio presenter but it seems

I can't escape my past Late one night when I'm alone the phone rings The caller wants me to solve a riddle and tells me a life depends on it Only you can save her If she dies it's your fault And so the deadly game begins Someone wants revenge The perfect read for fans of authors like Freida McFadden Claire McGowan and Lisa Jewell Praise for Keri Beevis Another winner from Ms Beevis A gripping story with plenty of twists and turns J A Baker An atmospheric thriller that grips until the last page Beevis at her best Diana Wilkinson A great book Hard to put down Takes turns that one doesn't expect Suspense is perfect Highly recommend this book Reader Review Twisted an entertaining book that kept me guessing Reader Review Great ending a fabulous twisted but fabulous book This was my first book by this author I would definitely read another one Reader Review I had a hard time putting this book down to go to sleep I just wanted to Keep reading to find out what happens next I want to read more books by this author Reader Review One of my favourite authors Keri Beevis does it again with this fast paced chilling thriller Amanda Brittany Beevis delivers again with a creepy unsettling tale that had me looking nervously over my shoulder Valerie Keogh Another suspenseful page turner from this very talented author John Nicholl Brilliant chilling and unputdownable Gemma Rogers Beevis has created a dark psychological thriller thick with atmosphere Cleverly woven threads pull together in a heart stopping conclusion in this satisfyingly clever tale Highly recommended
