Costco Graduation Announcements:

Bitches on a Budget Rosalyn Hoffman, 2009-12-29 A witty recession era guide to being thrifty while not forgoing the fabulous Today's woman may have a dwindling stock portfolio but that shouldn't make her bite one well manicured nail with worry Rosalyn Hoffman dishes up the wisdom women need to get perfect style without busting what's left of their bank accounts The author is a recession era fashion guru travel agent grooming consultant therapist sommelier and life coach all rolled into one and with this book vows no coupon clipping Prada depriving carb hating allowed Because it doesn't take oodles of moola to live well and that's one trend that will never go out of style **Produce News**, 2006 *Mathematics in Service to the Community* Charles Robert Hadlock, 2005 Publisher description This book looks at the wide variety of ways in which math statistics and math education teachers have incorporated service learning into their courses These projects are not just stand alone community service initiatives but rather they specifically target the improvement of mathematics skills and insights of the college students in the courses with which they are associated In some cases the projects are the major focus of the courses In others they may range from an essential component to one of several options The book also speculates about heretofore untapped possibilities for service learning even including courses in pure mathematics College faculty often may not fully appreciate the wide range of support mechanisms for such ventures even within their own institutions so the book includes a lengthy chapter on the details of converting a rough idea to a solid action plan sometimes even picking up financial support and other often unexpected benefits along the way Creative teachers rarely implement a project in exactly the same way as a colleague might have so the emphasis here is to display a wide range of successful projects in order to encourage readers to develop some of their own Food Production Management, 2005
