**Ever After** Vicki Courtney,2013-06-01 Most every woman dreams about having a family and a building a home We grow up on a steady diet of fairytales and chick flicks that drive our dreams and leave us with a sugarcoated version of reality We want it all the prince the kiss the proposal the ring the castle and eventually the kids in smocked rompers playing cheerfully on the perfectly manicured lawn Our hopes and dreams are pinned on the world s version of happily ever after The problem is the fairytales and chick flicks end where real life begins We never see that follow up scene where the prince and princess argue at 3 a m over who will get up with the colicky newborn Or the princess reluctantly returns to work to help pay the bills and feels the stress of juggling work and family And you certainly won t see that part where the princess moves her last child into the dorm and realizes the bulk of her identity has been based on being a mother The truth is marriage and motherhood are hard Few of us are prepared to handle the balancing act of being a good wife and a good mother without one or the other getting the short end of the stick No matter how much we give or how hard we try we never quite feel like it s enough And heaven help us we always imagine every one else is doing a much better job In **Ever After** best selling author Vicki Courtney addresses the realities of marriage and motherhood the difficulties and the blessings It offers women a behind the scenes glimpse of what a fairytale really looks like on the average day for the average wife and mom Poignant funny and even cathartic Vicki shares mistakes made lessons learned and memories to keep Most of all she reflects the hope and promise that God meets us in the middle wherever we are in the journey      **Costco Wholesale Household Almanac** ,2007 Articles charts lists photographs and illustrations to help you eliminate confusion and uncertainty about topics such as stocking your kitchen talking about your health straightening up your home office taking editing storing and sharing digital photos doing laundry preparing a home emergency kit and buying electronic gadgets for you car      **Curveball** Barry Zito,Robert Noland,2019-09-17 The painfully honest and personal story of one of baseball s most intriguing players In **Curveball** Zito shares his story with honesty and transparency The ups and the downs The wins and losses By sharing his experiences as a man who had everything except happiness Zito offers readers a path through adversity and toward a life defined by true success Despite achieving the kind of fame and fortune that most people only dream about Barry Zito was plagued by both internal forces and external circumstances that robbed him of any sense of peace until he finally found a purpose worth living for Barry explores the twists and turns of his own journey including his dad s constant push and pursuit for excellence which translated into a toxic father son relationship how achieving superstardom in the major leagues created crippling fear the personal destruction brought on by fame and fortune and the disastrous seasons with the San Francisco Giants including
