**Commander's Manual** United States. Department of the Army,1978 **Thwarting Enemies at Home and Abroad** William R. Johnson,2009-01-10 A Classic in Counterintelligence Now Back in Print Originally published in 1987 Thwarting Enemies at Home and Abroad is a unique primer that teaches the principles strategy and tradecraft of counterintelligence CI CI is often misunderstood and narrowly equated with security and catching spies which are only part

of the picture As William R Johnson explains CI is the art of actively protecting secrets but also aggressively thwarting penetrating and deceiving hostile intelligence organizations to neutralize or even manipulate their operations Johnson a career CIA intelligence officer lucidly presents the nuts and bolts of the business of counterintelligence and the characteristics that make a good CI officer Although written during the late Cold War this book continues to be useful for intelligence professionals scholars and students because the basic principles of CI are largely timeless General readers will enjoy the lively narrative and detailed descriptions of tradecraft that reveal the real world of intelligence and espionage A new foreword by former CIA officer and noted author William Hood provides a contemporary perspective on this valuable book and its author **Counterintelligence Agent** United States. Department of the Army,1980 **U.S. Army Counterintelligence Handbook** Army,2013-02-06

The life of a counterintelligence CI operative has been immortalized in film and novels as being filled with glamour and excitement While international travel heroism and danger are all part of the job description the fundamentals of counterintelligence are discipline skill and well intelligence CI operations include conducting investigations offensive and defensive operations security and vulnerability analyses and intelligence collection in peace and at all levels of conflict to support command needs This guide serves to inform commanders agents and analysts on how to identify neutralize and exploit any foreign attempts to conduct operations against the U S Army Find out how CI operatives combat terrorism create battlefield deception and inform all echelons of combat of both real and potential threats from the U S Army s own guide to counterintelligence The tactics techniques and procedures TTP outlined are the same instructions that CI personnel follow in the field As the world becomes more interconnected and as technological advances continue to be made proper CI techniques are exceedingly critical to the protection of the U S Army Counterintelligence is not just the subject for an entertaining story it is how peacekeeping humanitarian and counter drug operations are carried out in this globalized world **Counterintelligence Agent** United States.
