

What separates simple memorization from true understanding? ENGAGEMENT.

Built on principles of learning design and created hand-in-hand with educators, Cengage Learning solutions focus on engagement, taking students through the levels of application, analysis, and critical thinking with depth and context unmatched in the market.

MindTap®

MindTap from Cengage Learning represents a new approach to a highly personalized, online learning platform. A fully online learning solution, MindTap combines all of a user's learning tools—readings, multimedia, activities and assessments—into a singular Learning Path that guides the user through the curriculum. Educators personalize the experience by customizing the presentation of these learning tools to their students, even seamlessly introducing their own content into the Learning Path via "apps" that integrate into the MindTap platform. MindTap can also be deeply integrated into an institution's Learning Management System (LMS) through a service called MindLinks.

CourseBuilder

CourseBuilder offers an assortment of engaging, interactive, and affordable online lessons and assessments to complement your unique Drafting curriculum.

Developing Spatial Thinking

Developing Spatial Thinking is revolutionary software that equips users with the 3-D visualization skills necessary for success in technical careers. The program walks learners through ten engaging, easy-to-use modules that provide first-hand experience in working with 3-D operations.

CourseMate

Cengage Learning's CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook.

With Cengage Learning's Instructor Resources to accompany many of our books, preparing for class and evaluating students has never been easier!
