Two Nights in Lisbon, Chris Pavone, 2022-05-24. AN INSTANT NEW YORK TIMES AND NATIONAL BESTSELLER. There's no such thing as a book you can't put down, but this one was close. Stephen King. Smart suspense at its very best. John Grisham. Tautly

wound and expertly crafted *Two Nights in Lisbon* is a riveting thriller about a woman under pressure and how far she will go when everything is on the line. You think you know a person. Ariel Pryce wakes up in Lisbon alone. Her husband is gone, no warning, no note, not answering his phone. Something is wrong. She starts with hotel security, then the police, then the American embassy, at each confronting questions she can't fully answer. What exactly is John doing in Lisbon? Why would he drag her along on his business trip? Who would want to harm him? And why does Ariel know so little about her new, much younger husband? The clock is ticking. Ariel is increasingly frustrated and desperate, running out of time, and the one person in the world who can help is the one person she least wants to ask. With sparkling prose and razor sharp insights, bestselling author Chris Pavone delivers a stunning and sophisticated international thriller that will linger long after the surprising final page.

Gone... Annemarie Nikolaus, *Deadly Short Stories*. The short story collection *Gone* spins three haunting tales that will plunge you into the darkness beneath even the most respectable veneers. In *The Settlement*, a bank manager's pilfering of a wealthy countess's fortune drags him into nightmarish consequences after her demise. The twisted *The Necklace* follows a deadly love triangle where deft psychological insight reveals how passion and betrayal ultimately converge in tragedy. And in *The Pope's Banker*, speculation on the real-life mysterious death of Roberto Calvi, the Vatican banker found hanging from Blackfriars Bridge in 1982, explores the unholy nexus of faith, finance, and criminal enterprises. With captivating narratives that remind you some mysteries may never be solved but their power to disturb remains, *Gone* is a riveting plunge into the abyss where desire, desperation, and the lust for power reside.

Family Papers Sarah Abrevaya Stein, 2019-11-19. An award-winning historian shares the true story of a frayed and diasporic Sephardic Jewish family preserved in thousands of letters. One of *The Economist's* Best Books of 2019. A New York Times Book Review Editors' Choice. A National Jewish Book Award finalist. For centuries the bustling port city of Salonica was home to the sprawling Levy family. As leading publishers and editors, they helped chronicle modernity as it was experienced by Sephardic Jews across the Ottoman Empire. The wars of the twentieth century, however, redrew the borders around them in the process, transforming the Levys from Ottomans to Greeks. Family members soon moved across boundaries and hemispheres, stretching the familial diaspora from Greece to Western Europe, Israel, Brazil, and India. In time, the Holocaust nearly eviscerated the clan, eradicating whole branches of the family tree. In *Family Papers*, the prizewinning Sephardic historian Sarah Abrevaya Stein uses the family's correspondence to tell the story of their journey across the arc of a century and the breadth of the globe. They wrote to share grief and to reveal secrets, to propose marriage and to plan for divorce, to maintain connection. They wrote because they were family. And years after they frayed, Stein discovers what remains solid is the fragile tissue that once held them together: neither blood nor belief, but papers. With meticulous research and care, Stein uses the Levys' letters to tell not only their history but the history of Sephardic Jews in the twentieth century. A superb and touching book about the frailty of ties that hold together places and people. *The New York Times Book Review*. Remarkable, rigorously researched. Readers will rejoice at every miraculous story of
