Reversing the Cult of Speed in Higher Education Jonathan Chambers, Stephannie Gearhart, 2018-10-26 A collection of essays written by arts and humanities scholars across disciplines this book argues that higher education has been compromised by its uncritical acceptance of our culture s standards of productivity busyness and speed Inspired by the Slow Movement contributors explain how and why university culture has come to value productivity over contemplation and rapidity over slowness Chapter authors argue that the arts and humanities offer a cogent critique of fast culture in higher education and reframe the discussion of the value of their fields by emphasizing the dialectic between speed and slowness

Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero s masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other

Old Fashioned Kandi Steiner, 2020-03-19 Bestselling Author Kandi Steiner delivers a breathtaking sports romance in the epic finale of the Becker Brothers series Each book can be read as a stand alone It's a man's world When I declared sports medicine as my major and every man narrowed their eyes that saying proved true It was true when my ex husband decided I'd give up my career when our daughter was born And again when I divorced the Chief of Police in our small town and he made it painfully clear that I could leave him but I would never be free Landing the job as the new athletic trainer for Stratford's high school team is my chance to start over And walking into a male dominated sport and staff I'm ready for the challenge I'm not ready for Jordan Becker The head coach of our championship winning team is a Herculean force of nature as severe as he is determined His icy blue eyes and permanent scowl drive the women in this town mad and his quiet power and undeniable command conjure respect from every man When I join his team I expect the doubt and anticipate the fight from him And I get them both I don't expect to form a friendship And I never expect to fall for him My breath catches when those cool eyes fall to my lips My body comes alive when he is near And as those lines begin to blur every warning bell sounds My job my reputation are on the line And my ex is around every corner waiting to remind me of his power It's a man's world and if I want to survive I can never fall in love with Jordan Becker Even if he falls in love with me first

Challenge V. Sackville-West, 2021-11-05 In her intriguing novel *Challenge* V Sackville West explores the intricate dynamics of identity gender and societal expectations through the lens of a captivating personal journey Set against the backdrop of early twentieth century England this work employs a rich lyrical prose style that is both evocative and introspective Sackville West's deep understanding of the Wellesley family and the historical context of her time

enhances the narrative creating a multilayered commentary on the struggles of self discovery amid rigid societal norms. The interplay between internal conflict and external pressures draws the reader into a nuanced exploration of the protagonist's quest for authenticity in a repressive environment. Sackville West, a celebrated author and a prominent figure in the Bloomsbury Group, often grappled with the themes of gender and identity in her works. Her own experiences as a woman navigating a male dominated literary landscape and her personal struggles with sexuality undoubtedly informed her writing. This backdrop of profound personal reflection and critique of societal constraints permeates *Challenge*, offering readers insights drawn from her life and times. For those intrigued by the complexities of identity and the personal confrontations with societal constructs, *Challenge* is an essential read. Sackville West's masterful storytelling invites readers to immerse themselves in a world where the pursuit of self understanding is both a battle and a triumph, making it a timeless piece that resonates with contemporary discussions of identity.

Old Fashioned Kandi Steiner, 2020-03-19

It's a man's world. When I declared sports medicine as my major and every man narrowed their eyes, that saying proved true. It was true when my ex-husband decided I'd give up my career when our daughter was born. And again when I divorced the Chief of Police in our small town and he made it painfully clear that I could leave him but I would never be free. Landing the job as the new athletic trainer for Stratford's high school team is my chance to start over. And walking into a male dominated sport and staff, I'm ready for the challenge. I'm not ready for Jordan Becker. The head coach of our championship winning team is a Herculean force of nature as severe as he is determined. His icy blue eyes and permanent scowl drive the women in this town mad and his quiet power and undeniable command conjure respect from every man. When I join his team, I expect the doubt and anticipate the fight from him. And I get them both. I don't expect to form a friendship. And I never expect to fall for him. My breath catches when those cool eyes fall to my lips. My body comes alive when he is near. And as those lines begin to blur, every warning bell sounds. My job, my reputation are on the line. And my ex is around every corner, waiting to remind me of his power. It's a man's world and if I want to survive, I can never fall in love with Jordan Becker. Even if he falls in love with me first.

Blind Side Kandi Steiner, 2022-06-15

The hottest college football safety in the nation just asked me to be his fake girlfriend. And I just asked him to take my virginity. Clay Johnson has the abs of Adonis and the deadly smirk of the devil himself. There's

hardly a day he's not headline material during football season and never a day he isn't a bullseye target for every girl on campus He used to be the easiest of all the players for me to wrangle as the Public Relations Coordinator but after a nasty breakup with his high school sweetheart he's a mess And a complete pain in my ass We meet to discuss his behavior and review media relations standards But when he witnesses how I fall to pieces in front of my guitar toting crush his wheels start turning And he cooks up this absurd plan He helps me get noticed I help him make his ex jealous All by pretending to be in a relationship What he doesn't realize is that this bookworm is a virgin and far from versed in seducing a musician So to sweeten the deal I convince him to help me not just to get my crush's attention but to knock his socks off once I have it But the more I come unraveled at the hands of Clay Johnson the more trouble I have discerning what's fake and what's undoubtedly real particularly the way my heart flutters every time that breathtaking man touches me We set the rules We put the safeguards in place But they say rules are meant to be broken They probably should have added that hearts are too Blind Side is a spicy fake dating college sports romance with lessons and opposites attract It is a complete stand alone
