## **Post Apocalyptic Story Novel:**

The Post-Apocalyptic Novel in the Twenty-First Century H. Hicks, 2016-04-08 Since the beginning of the twenty first century major Anglophone authors have flocked to a literary form once considered lowbrow genre fiction the post apocalyptic novel Calling on her broad knowledge of the history of apocalyptic literature Hicks examines the most influential post apocalyptic novels written since the beginning of the new millennium including works by Margaret Atwood David Mitchell Cormac McCarthy Jeanette Winterson Colson Whitehead and Paolo Bacigalupi Situating her careful readings in relationship to the scholarship of a wide range of historians theorists and literary critics she argues that these texts use the post apocalyptic form to reevaluate modernity in the context of the new century's political economic and ecological challenges In the immediate wake of disaster the characters in these novels desperately scavenge the scraps of the modern world But what happens to modernity beyond these first moments of salvage In a period when postmodernism no longer defines cultural production Hicks convincingly demonstrates that these writers employ conventions of post apocalyptic genre fiction to reengage with key features of modernity from historical thinking and the institution of nationhood to rationality and the practices of literacy itself

Postapocalyptic Fiction and the Social Contract Claire P. Curtis, 2010-07-17 Postapocalyptic Fiction and the Social Contract We'll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including *Lucifer's Hammer* by Larry Niven and Jerry Pournelle *Alas Babylon* by Pat Frank *Malevil* by Robert Merle and *Into the Forest* by Jean Hegland The latter half of the book examines Octavia Butler's postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability

to earlier writings by the likes of Mary Shelley H G Wells and J G Ballard Apocalyptic Fiction includes an annotated guide to secondary readings making this an essential guide for students of contemporary fiction at all levels

**The Contemporary Post-Apocalyptic Novel** Diletta De Cristofaro, 2019-12-26 Traditional apocalyptic texts concern the advent of a better world at the end of history that will make sense of everything that happened before But what is at stake in the contemporary shift to apocalyptic narratives in which the utopian end of time is removed The Contemporary Post Apocalyptic Novel offers an innovative critical model for our cultural obsession with the end by focussing on the significance of time in the 21st century post apocalyptic novel and challenging traditional apocalyptic logic Once confined to the genre of science fiction the increasing popularity of end of the world narratives has caused apocalyptic writing to feature in the work of some of contemporary literature s most well known fiction writers Considering novels by Will Self Cormac McCarthy David Mitchell Emily St John Mandel Jeanette Winterson and others Diletta De Cristofaro frames the contemporary apocalyptic imagination as a critique of modernity s apocalyptic conception of time and history Interdisciplinary in scope the book historicises apocalyptic beliefs by exploring how relentlessly they have shaped the modern world
