Which Level or PowerPoint Should I Start With?

Some schools follow Twinkl's recommended scheme into Levels, and other schools follow other schemes of work, which are also available on Twinkl. The Phonics resources align with the phonic sets from the EYF Letters and Sounds and DfES Letters and Sounds.

Your children's school will tell you which scheme they use. If you are at school or you could use this as a starting point. If you are at home, you can start with the 'Phonics' PowerPoint. This will give you a chance to see one of the powerpoints in example mode. If you are at home, you can also use this to give your child the opportunity to read and write words. This will ensure they feel confident going forward. If you are at school, you can use this to help your child with their reading and writing.
