ZeQuest Dhayaa Anbajagane, 2015-09-26 The lies are abundant The truth Rarely so Armorica was an ancient planet filled with luscious fields towering forests and crystal clear streams And now it was going to be destroyed When Armorica's very existence is threatened by an enemy planet Q is left with no choice but to take matters into his own hands and prevent a inter planetary massacre from breaking out But one question remained unanswered How was he supposed to take down an entire planet Thrilling Plot twisting and mysterious ZeQuest explores the nature of a selfish world where nothing is ever what it seems to be Book 2 of the 1 Bestselling Space Opera Series The Quest Saga Author interview Q So what makes the Quest Saga so special A What makes this series special is that it dares to go beyond cultural norm and fuse together fantasy and science fiction an ideal that only star wars has pulled off so far Overall this is an action packed adventure that promises to be exciting and thrilling on every single page and I've made sure there's never a dull moment Q What kind of series is the Quest Saga A It's a mix of things basically which makes it really hard to select a proper genre for it I'd say it's primarily a Young Adult Space Opera book That makes you think it's Science Fiction which is partly true but this book has strong elements of Paranormal fantasy which is initially weird to think about I was very worried if people would like books which fused together dominant elements of both Fantasy and Science Fiction in a Space Opera Space Exploration world Then Scott Terry a NYT bestselling author of the Young Adult Science Fiction Series The Game is Life told me he read my books and said it resembled Star Wars a lot First of all that was an amazing comment to get from a Action Adventure

Author like him and then there's the added advantage of finally figuring out a niche for my book So now instead of calling it a Young Adult Space Opera I'll be calling it The book that resembles Star Wars or maybe A young adult Dystopian space opera Q Why should readers give these books a try A Well I'd say if someone wanted a quick easy read with action packed adventures this is the novel for them Most people love space exploration adventures and this one combines them with another amazing story tool magic So if you want to know what would happen if magic existed in a high tech space world this is the book for you Q How many books are in the Quest Saga A I've planned this out to be a series of five books So far there are three stories and I'm actively writing the next two in the series ConQuest Get it for free <http://www.amazon.com/dp/B00HV4Y3VK> ZeQuest A Quest Saga Novella Save 70% and buy it NOW <http://www.amazon.com/dp/B015T56UBS> AcQuest Available for pre order <http://www.amazon.com/dp/B015RYI2NU> Categories Young Adult Science Fiction Action Adventure Novel Series Young Adult Fantasy Action Adventure Novel Series Young Adult Novella Science Fiction Adventure Novella Space Opera Trilogy Space Opera Science Fiction Novels Space Opera Technothriller **The Black Knight** Luke Mitchell, 2020-12-17 He came He saw He stole the freakin Merlin In the wake of the troglodian attack on Earth fledgling Knight Nate Arturi and his unruly crew venture into Alliance space in pursuit of the mysterious Black Knight The mission couldn't be more simple Find the Black Knight recover the Beacon and save the Merlin But simple isn't always easy and the title of Excalibur Knight isn't what it once was Arriving in Alliance space Nate and fellow Knight I'veera quickly find themselves caught in a deadly web of political ambition with ooperian assassins haunting their every step and no one to trust but each other and their rag tag crew The clock is ticking An ancient evil stands on the brink of awakening But to complete their mission they'll have to go renegade and forfeit everything Can two rogue Knights stop the rising tides of galactic war
