YouTubers Chris Stokel-Walker, 2021-07-08 Jake Paul KSI and PewDiePie influence the lives and purchases of millions of fans And their power is growing Two billion people worldwide watch YouTube Yet despite their reach YouTubers remain a mystery to much of the public and media What is the secret of their appeal How do they cope with being in front of the lens And who is behind them Wired journalist Chris Stokel Walker reveals the answers in the first independent in depth book on YouTube For three years he has interviewed more than 100 figures connected with the world's biggest video sharing website among them agents managers and influencers themselves He charts YouTube's rise from showing a single video of a zoo to multi billion dollar site that outmuscles Facebook And he delves into thorny issues about brands burnout and authenticity He explains why YouTubers keep stopping traffic in city centers and whether they will eat normal TV If you are a journalist publicist advertiser or marketer who needs to know how YouTube works or a parent intrigued by what the kids are watching and why or just

fascinated by the lives of leading creators you need this book *The Publishers Weekly*, 2010 **Paranoid** David J. LaPorte, 2015 From the pathological killer who gunned down the innocents at Virginia Tech to the average citizen who suspects the government is monitoring phone calls the signs of suspiciousness and paranoia are all around us In this comprehensive overview of an increasingly serious problem an experienced psychologist and researcher describes what paranoia is how and why it manifests itself and the many forms it takes including stalking pathological jealousy as a reaction to post traumatic stress disorder and perhaps even militia movements Using striking vignettes from the present and the past each chapter illustrates specific manifestations of paranoia while also describing in layperson s terms the clinical analysis of the condition Among the topics are delusional paranoia paranoid symptoms in the elderly the evolutionary origins of our suspiciousness system and factors that can trigger it today the connection between illicit drug usage and paranoid behavior jealousy PTSD violent reactions to paranoia and the treatments available The author emphasizes that life in contemporary America is a fertile environment for paranoia in an era of computer hackers omnipresent security cameras NSA surveillance and terrorism normal people have good reasons to be suspicious as their sense of security and privacy is undermined But in such an insecure atmosphere everyday suspicion can easily be ratcheted up resulting in paranoia and occasionally violent outbursts He warns of a possible epidemic of paranoia and suggests public health measures that could be used to counteract this potentially dangerous trend Whether you consider yourself susceptible to paranoia or know others who might be this enlightening book will help you understand the many factors that can distort your mental outlook **The Conference Board Review**, 2009 [The Fairness Instinct](#) Lixing Sun, 2013 Combines research from a range of science and humanities disciplines to lend insight into the human notion of fairness as it has been demonstrated by various societies throughout history *Labour Research*, 2009 *A Colorful History of Popular Delusions* Robert E. Bartholomew, Peter Hassall, 2015 This eclectic history of unusual crowd behavior describes a rich assortment of mass phenomena ranging from the amusing and quirky to the shocking and deplorable What do fads crazes manias urban legends moral panics riots stampedes and other mass expressions of emotion have in common By creating a typology of such behavior past and present the authors show how common extraordinary group reactions to fear or excitement are And they offer insights into how these sometimes dangerous mob responses can be avoided We may not be surprised to read about the peculiarities of the European Middle Ages when superstition was commonplace like the meowing nuns of France tarantism a dancing mania in Italy or the malicious anti Semitic poison well scares But similar phenomena show up in our own era Examples include the social networking hysteria of 2012 which resulted in uncontrollable twitching by teenage girls in Leroy NY the phantom bus terrorist of 2004 in Vancouver Canada and the itching outbreak of 2000 in South Africa Vivid detailed and thoroughly researched this is a fascinating overview of collective human behavior in its many unusual forms **China Review International**, 2011 [Arrive and Thrive: 7 Impactful Practices for Women Navigating Leadership](#) Susan MacKenty Brady, Janet Foutty, Lynn Perry

Wooten,2022-04-12 Wall Street Journal USA Today and Publishers Weekly Bestseller From three of today's top women leaders in business and academia seven essential practices for thriving professionally Women who arrive at the top should be able to thrive at the top Instead they're judged lucky to survive even more so with pandemic era pressures overwhelming their already busy family and professional lives What if there was a way you could flourish in a senior leadership role as your best self inspire excellence in your team channeling your own wellbeing and at the same time lead a highly fulfilled life There is and Arrive and Thrive shows you how This timely and practice driven guide reveals 7 practices you can use to thrive as you rise to positions of greater responsibility risk and reward and empower others along the way Powered by the latest research boots on the ground experience and advice from 24 of the world's most successful leaders the book captures seven practices that help you understand and leverage your unique personal powers so you can thrive in leadership Three of today's top women leaders in business and academia the authors hail from very different worlds each brings a different career path focus of experience and personal point of view to the conversation From their experiences you'll learn to make the best choices for yourself your team your industry and your community **Arkansas Review** ,2016 **British Humanities Index** ,2008 Hexed Michael Alan Nelson,2015 The first novel based on the Hexed comic Page 4 of cover **Sorry About the Mess** Hellogreedo,2019-12-02 Hi I'm HelloGreedy I started a Star Wars YouTube channel in 2011 and now I wrote a book Writing Sorry About The Mess was a happy accident In 2016 I enrolled in two college classes that had a four hour break between them My goal was to use those four hours to work on scripts and videos for my YouTube channel While I did hash out a lot of videos during that break I also began typing random thoughts chronicling some life experiences and cataloging opinions on various subjects Over the past three years whenever I felt like it I would add to the book Slowly but surely those random thoughts formed into semi cohesive chapters and those chapters became this book Sorry About The Mess is a lot like my live streams random and all over the place I have a habit of ping ponging from topic to topic This book ended up being more personal than I originally anticipated If you're looking for 200 pages of nothing but a Star Wars discussion you might want to look elsewhere In Sorry About The Mess you'll follow me on a journey through fandom fatherhood the United States Navy clickbait social media and much more I named it Sorry About The Mess for a reason I should have hired an editor Chapters The Origin Story Why Star Wars Clickbait Social Media YouTube My Top Ten Movies The United States Navy Video Games Being a Dad Supporter Q A In Closing
