Countenance Of A Killer:

Countenance of a Killer Darwil B. Haagen, *Countenance of a Killer* Darwil B. Haagen, 2015-06-20 Inconsequential is the wrath of hell without these heinous deeds slapped upon this great nation Who is equipped to stop these methods of madness when even the FBI struggles to free itself from the iron grip of this inversion of extreme intelligence The nature of this unstoppable bloodshed has created new depths of insanity What will be the fate of this country tormented by the darkness of the human mind

Giallo Cinema and Its Folktale Roots Michael Sevastakis, 2016-07-19 The Italian giallo film genre the equivalent of the American whodunit but incorporating extreme violence and sex was based on popular British and American fiction of the 30s and 40s adapted to the explicitly liberal filmmaking of 1970s and 1980s Europe Seldom released in American theaters these films were usually distributed as redacted bootlegs awaiting digital technology to be restored to their original content and pristine visual form This book analyzes the censored sex and violence of giallo films finding in them an inherent beauty and tracing their literary antecedents to the elements of the fairy tale as described by Russian folklorist Vladimir Propp Each chapter covers a film and its director from 1962 to 1987 The author argues that despite their formulaic production and designation as Euro sleaze these films are works of individuality and artistic virtue
