#### What You Need to Know Before Leaving Home Jeff

McDonnell, 2018-05-31 Okay now what. It's the normative if not a little panicked question every new parent has been asking for thousands of years at the birth of their first child. It's also the question that resurfaces at every significant stage in our kids' development. Left unanswered or answered incorrectly, the consequences can be disastrous for everyone. But there exists an effective and proven way to raise good kids to launch into today's world. This book is written as one big thought provoking letter from a Mom and Dad to their kids and it will equip the whole family to that end. It doesn't take a PhD, a counseling degree, a radio show or an advice column to get it done either. It only takes a commitment to be intentional with your parenting. *What You Need to Know Before Leaving Home* is the answer to the question where can I find a parenting manual for my kids. This manual offers a timeless worldview and value system to lead the whole Family towards that which is noble and good. In short it's a guidebook to doing good.
