How do you take notes At times we are so busy that we do not have time to take notes in a well organized manner and end up taking them roughly But they do not really help like the ones taken in an organized manner One of the best ways to create an organized note and ensuring that they definitely help you out is using Cornell notes The Cornell notes is a note taking system that was invented back in the 1950s by Walter Pauk The Cornell notes taking method ensures to divide a single page into three sections namely Cues Notes and Summary Section The section of the notes is used for the class discussion and what the instructor teaches

students Besides the notes section you should leave some extra space between some main points so that other details can easily be filled such as other important points The page is divided into Cues Discussions Notes and Summary comparable to the Cornell Note Taking System The pages include areas for Date Subject Topic and Source Can improve study skills learn academic success and create knowledge Functional size 8 5x11 inch dimensions the ideal size fitting perfectly into your bag 100 Pages Reliable standards Book industry perfect binding the same standard binding as the books in your local library

Tough paperback Crisp white paper with quality that minimizes ink bleed through The book is great for either pen or pencil users Journals planners and notebooks are the perfect GIFTS for any occasion So what are you waiting for Click the BUY button now at the top of the page to begin Please don t forget to check out our other planners and journals DaZenMonk
