Prentice Hall Civics James Edwin Davis, 2001 **Constitution Study Guide**, 1989 **Magruder's American Government Constitution Study Guide Teacher's Manual** James Edwin Davis, Close Up Foundation, Pearson/Prentice Hall, Prentice-Hall, Inc, 2006-06-30 **Constitution Study Guide** Prentice-Hall, Inc, 1997-12-01 Magruder's American Government William A. McClenaghlan, **Constitution is Born, A** Swanson, Norma, Aud, Barbara, 2016-09-22

Now as never before basic knowledge of our governmental heritage is essential if we want to be empowered to keep elected officials accountable and defeat the forces that would destroy our freedoms. The truths of the Constitution must be embedded in our hearts not blocked out by social media or minds captured by electronic devices as it is the only way to a guarantee of freedom. Since the celebration of the 200th anniversary of our Constitution all three departments of government have to a large degree ignored the Constitution. Neglect of the principles contained in our Constitution has been responsible for the loss of many of the freedoms it guaranteed. A Constitution is Born was written to be a clarion call loud and clear for renewed patriotism, a love for country and above all a realization that our direction comes from God not from man and we are responsible to Him our Maker. This brief history of the U S Constitution with relevant information is to be a sword of the Lord piercing the heart and soul invoking action to carry out His plan as He makes it known to us. Our continuing prayer is that this book will find a special place in the hearts of Americans and that they will read it to their children to provide insight and understanding as to what it means to be a free courageous American with increased faith in our God who has brought us this far. The importance of educating our youth about the principles set forth in our Constitution has always been high on my list of priorities. I am pleased and excited to recommend the work of Barbara Aud and Norma Swanson through A Constitution is Born. The book provides a brief history of the Constitution and what it means in layman's terms. Ronald M Mann Former Director and Deputy Director of the Commission of the Bicentennial of the Constitution Special Advisor to President Ronald Reagan. Norma Swanson and Barbara Aud's new book A Constitution is Born is a must read for every American citizen. In this fascinating book they trace the invisible hand of God in formulating the foundational guiding document for our nation. This book is essential reading for everyone who wants to know the truth of the founding of our country. Dr Robert Jeffress Senior Pastor First Baptist Church Dallas Texas and Fox News Contributor. Our children must understand the freedoms that the Declaration of Independence and the United States Constitution guarantees for all Americans if our republic is to survive. A Constitution is Born is a vital tool available to all parents teachers and all who love liberty. Read this book teach it to your children share it with your students tell your neighbors about it. This is something you can do to light freedom's way for generations to come. Dr Robert Sweet Jr Professional Staff Member Committee on Education and the Workforce United States House of Representatives. As you become aware of today's political and social climate and the attack on our freedoms you can't help but think A Constitution is Born could not have been published in a timelier manner. Citizens both young and

old now more than ever need to understand the sacrifice and principles that were so thoughtfully crafted in the Constitution by its designers Every household school and church should have this book and integrate the principles and truths into their lives Rose Gamblen Ph D Educational Specialist and Published Author Professor Penn State Producer and Co Host of My Home School Companion radio network I APPLAUD Barbara Aud and Norma Swanson for their many hours of research and labor in producing this very timely book A Constitution is Born Never before have we needed to provide for our youth a basic understanding of how they received the freedom by which they live and how the hand of God moved in the forming of the nation as we know it today As an educator I highly recommend that every home and parent make this book a must in the education of their children Dr Arthur Nazigian Board Chairman Emeritus Association of Christian Schools International Published Author Charter member ACSI Board **El-Hi Textbooks and Serials in Print** ,2003 America's 1st Freedom ,2002 **The American State Constitutional Tradition** John J.
