J.L. Ryan,2025-12-21 I m Sophie Walker and Reed Bennett is my new boss He s the epitome of wealth and power As a billionaire dom he s used to getting everything he wants and he wants me as his personal assistant I was just a normal young woman until I walked into his office for the interview From the moment I met him I knew he was different He exuded a dangerous energy that left me simultaneously frightened and intrigued But I never expected what happened next Reed showed me his conference room and as the heavy steel door slammed shut behind me I was plunged into darkness The dungeon was not what I was expecting with padded walls and ceiling and surveillance cameras that seemed to be watching our every move It was clear that Reed had spared no expense on this setup As I explored the dungeon I realized that I had

never seen anything like it before The soundproofing meant that we could scream at the top of our lungs without anyone hearing us But there was something sinister about the cameras and I couldn't help but wonder why the room was so heavily monitored Reed remained silent about his intentions for me in the dungeon leaving me to wonder when the time would be right But as the sexual tension between us grew I couldn't resist the temptation of exploring this forbidden side of myself with him I wanted to be the best sub he'd ever had As I grappled with my desires I couldn't help but wonder if Reed was keeping secrets from me What was he really planning to do with me in that dungeon And could I trust him to keep me safe while exploring my darkest desires Start reading now Add this story to your Google Play library to read it anytime anywhere on all your devices romance novels romance books billionaire romance dark romance contemporary romance romantic suspense enemies to lovers friends to lovers second chance romance forbidden love alpha male strong heroine steamy romance spicy romance slow burn romance new adult romance young adult romance college romance high school romance workplace romance office romance boss romance CEO romance marriage of convenience fake relationship arranged marriage secret baby surprise baby single dad romance single mom romance nanny romance bodyguard romance military romance cowboy romance western romance royal romance prince romance princess romance king romance queen romance mafia romance mob boss romance crime family romance bad boy romance good girl romance redemption alpha male romance romance tortured hero romance protective hero possessive hero dominant hero submissive heroine age gap romance older man younger woman May December romance taboo romance forbidden romance professor romance mentor romance fantasy romance paranormal romance vampire romance werewolf romance shifter romance dragon shifter romance fae romance witch romance wizard romance demon romance angel romance ghost romance gothic romance historical romance regency romance victorian romance medieval romance renaissance romance time travel romance Scottish highlander romance pirate romance adventure romance exotic romance travel romance destination romance holiday romance Christmas romance Valentine's Day romance summer romance beach romance island romance vacation romance small town romance hometown romance family saga romance drama romance heartwarming romance heartbreaking romance emotional romance first in series passionate romance sensual romance seductive romance captivating romance addictive romance unputdownable romance trilogy romance duology romance standalone romance cliffhanger romance series romance box set romance anthology romance novella romance short story romance bestseller romance trending romance hot deals romance free romance discounted romance limited time romance must read romance award winning romance popular romance book club romance romance novels billionaire romance dark romance contemporary romance romantic suspense enemies to lovers friends to lovers second chance romance forbidden love alpha male strong heroine steamy romance spicy romance slow burn romance new adult romance young adult romance college romance workplace romance office romance boss romance CEO romance marriage of convenience fake relationship arranged marriage secret baby single dad romance single mom romance
