POWER PLAYS AT STAMFORD BRIDGE Dr. Samuel Trent, 2025-10-25 Power Plays at Stamford Bridge By Dr Samuel Trent Behind the glamour of football's brightest lights lies a world of politics, ambition and quiet wars of influence. In Power Plays at Stamford Bridge Dr Samuel Trent pulls back the curtain on the high stakes intrigues that shape one of the world's most famous football clubs. From the boardroom to the locker room, from billionaire owners to grassroots supporters, Stamford Bridge becomes more than just a football ground; it is a theatre where egos clash, loyalties are tested and fortunes are made or destroyed. Dr Trent's penetrating analysis combines insider insight with the storytelling flair of a novelist, exploring how money, strategy and human ambition collide in modern sport. Drawing from years of research, exclusive interviews and a scholar's eye for systems of power, Power Plays at Stamford Bridge reveals the hidden currents that drive success and scandal in the beautiful game. Whether you're a football enthusiast, a student of leadership and organizational behavior, or simply a lover of compelling nonfiction, this book offers an unforgettable deep dive into the complex world where sport meets strategy. A masterclass in sports sociology and institutional power, Power Plays at Stamford Bridge reminds us that victory on the pitch is only half the battle; the real game is often played behind closed doors. *The Rise and Size of the Fitness Industry in Europe* Jeroen Scheerder, Hanna Vehmas, Kobe Helsen, 2020-10-01 This book explores the rise, size and shape of the European fitness industry by using harmonised data as well as in-depth analyses of national surveys in fifteen European countries. Following an introduction to the socio-historical and conceptual aspects of fitness, the collection presents the scope of fitness as a business and participatory activity. Furthermore, both policy and governance issues, as well as community and supply angles, are considered. Drawing on this unique material, the book will appeal to students and scholars of sport business, sport economics, sport management and social sport sciences, but also to administrators, policymakers and entrepreneurs in the international and national sport and health community. *Contemporary Business* David L. Kurtz, Michael H. Khan, Louis E. Boone, Brahm Canzer, Rosalie Harms, Peter M. Moreira, 2023-05-15 Enable students to evaluate and provide solutions to today's global business challenges and thrive in today's fast-paced business environment. Rooted in the basics of business, *Contemporary Business* 4th Canadian Edition provides students a foundation upon which to build a greater understanding of current business practices and issues that affect their lives. Written with attention toward global technology trends and Environmental, Social and Governance (ESG), *Contemporary Business* 4th Canadian Edition encourages learners to grow and leverage intercultural aptitude, real-world problem solving and data analytics skills.

Routledge Handbook of Sport and Social Media Andrew C. Billings, Marie Hardin, 2025-04-23 This handbook takes an in-depth look at the transformative impact of social media on sport. With broader and deeper coverage than any previous book on this topic, the handbook explores how sports media is co-created and curated collectively at the individual, group and organisational level and considers the implications for the ways in which sports media, through social media, infiltrates our

lives and influences local and global culture Exploring key concepts and presenting original case studies the book features work by world leading international sports media scholars It discusses the theoretical lenses through which we can understand social media and sport from political economy and cultural dynamics to business and management and explains the significance of global social media platforms The book then presents a multi level exploration of sport and social media including social media use by fans athletes teams leagues and media organisations Offering important new insight into a technology that now sits at the centre of our social and economic lives this book is important reading for any researcher student practitioner or policymaker with an interest in sport media sport business sport cultures digital media technologies digital business or the broader relationships between sport media and wider society
