engagement Although casual observers may dismiss social media's impact, social media has revolutionized the field of musical theatre since the early days of Web 2.0 with spaces such as AOL LiveJournal and Myspace. Now, as social media continues to grow in relevance, the nuanced ways in which digital platforms influence musical culture remain ripe for study. *Social Media in Musical Theatre* moves beyond viewing social media merely as a passing fad or a space free from critical engagement. Rather, this volume takes a serious look at the critical role social media play in musicals, thus challenging how social media users and musical theatre makers alike approach digital spaces. This book introduces the relationship between musical theatre and social media in the 21st century, as well as methods to study social media's influence on musicals through three in-depth case studies organized around marketing on YouTube, fan engagement on Twitter, and new musical development on TikTok.

*Applied Theatre and Gender Justice* Lisa S. Brenner, Evelyn Diaz Cruz, 2024-12-30 *Applied Theatre and Gender Justice* is a collection of essays highlighting the value and efficacy of using applied theatre to address gender in a broad range of settings, identifying challenges and offering concrete best practices. This book amplifies and shares lessons from practitioners and scholars who use performance to create models of collective solidarity building upon communities' strengths toward advocating for justice and equity. The book is divided into thematic sections comprising three essays addressing a range of questions about the challenges, learning opportunities, and benefits of applied theatre practices. Further exploring the themes, issues, and ideas, each section ends with a moderated roundtable discussion between the essays' authors. Part of the series *Applied Theatre in Context*, *Applied Theatre and Gender Justice* is an accessible and valuable resource for theatre practitioners and the growing number of theatre companies with education and community engagement programs. Additionally, it provides essential reading for teachers and students in a myriad of fields: education, theatre, civic engagement, criminal justice, sociology, women and gender studies, environmental studies, disability studies, and ethnicity and race studies.
