The Routledge

Handbook of Lifestyle Journalism Folker Hanusch, 2025-06-10. Taking stock of research in an area that has long been starved of scholarly attention, The Routledge Handbook of Lifestyle Journalism brings together scholars from across journalism, communication and media studies to offer the first substantial volume of its kind in this dynamic field. This Handbook is divided into five major sections covering definitions, current trends, the relationship between lifestyle journalism and consumer culture, how lifestyle journalism interacts with matters of identity, emotion, politics and society, and future directions. Featuring 30 contributions from authors at the cutting edge of research around the world, each chapter provides an authoritative overview of key literature and debates and proposes a way forward for future scholarship. The Routledge Handbook of Lifestyle Journalism is an essential companion for advanced students and researchers of lifestyle journalism and related beats including food, fashion and travel writing.

TikTok Cultures in the United States Trevor

Boffone, 2022-04-03. TikTok Cultures in the United States examines the role of TikTok in US popular culture, paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds, this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars, chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context, examining topics such as gender and
