

300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

Creative Writing Prompts Kids Advanced Strategies

**Sharon Vaughn, Candace S. Bos, Jeanne
Shay Schumm**

Creative Writing Prompts Kids Advanced Strategies:

Ld Strategies for Middle School Sharon Connolly, 2010-12-20 This compendium of language arts research articles was structured in the typical format of an actual research study The purpose is clearly stated in each article and the rationale from recent research is briefly summarized The majority of studies were about teaching reading skills such as phonological awareness phonics decoding fluency and comprehension The other studies concerned writing spelling and technologies used with reading and writing This book would be useful for teachers needing to increase their teaching strategies for middle school students with LD and for students studying or doing actual research to familiarize themselves with the skeletal parts of a research paper

School-Based Interventions for Students with Behavior Problems Julie Bowen, William R. Jenson, Elaine Clark, 2011-06-27 School Based Interventions for Students with Behavior Problems is a book about helping children and adolescents who engage in severe behaviors to positively succeed in the school setting The emphasis of this book is on the prevention of behavior problems through structuring the instructional environment and teaching appropriate skills and intervention to reduce problems with practical proven and positive procedures This book is designed for educators faced with the daily challenge of instructing students with behavior problems social skill deficits and academic delays It is designed for teachers as well as those who work with teachers and students school administrators counselors special educators and school psychologists In searching for effective behavioral social skill and academic strategies the authors have reviewed hundreds of research validated studies to select techniques applicable to varied instructional settings within the school The orientation and contents of this book represent the authors experience and professional training in teaching clinical work and research involving students with behavior problems over the last 25 years
