Check & Mate Ali Hazelwood, 2023-11-07 In this clever and swoonworthy new novel from the New York Times and Sunday Times bestselling author of *The Love Hypothesis*, life's moving pieces bring rival chess players together in a match for the heart. Mallory Greenleaf is done with chess. Every move counts nowadays after the sport led to the destruction of her family four years earlier. Mallory's focus is on her mom, her sisters, and the dead end job that keeps the lights on. That is until she begrudgingly agrees to play in one last charity tournament and inadvertently wipes the board with notorious Kingkiller Nolan Sawyer, current world champion and reigning Bad Boy of chess. Nolan's loss to an unknown rookie shocks everyone. What's even more confusing? His desire to cross pawns again. What kind of gambit is Nolan playing? The smart move would be to walk away. Resign. Game over. But Mallory's victory opens the door to sorely needed cash prizes and, despite everything, she can't help feeling drawn to the enigmatic strategist. As she rockets up the ranks, Mallory struggles to keep her family safely separated from the game that wrecked it in the first place. And as her love for the sport she so desperately wanted to hate begins to rekindle, Mallory quickly realizes that the games aren't only on the board: the spotlight is brighter than she imagined and the competition can be fiercely attractive. And intelligent and infuriating. This novel is suitable for both young adult and adult audiences.

Go as a River Shelley Read, 2024-06-04 NATIONAL BESTSELLER

Beautiful. A striking first novel of love and strength and growth set against the forests and rivers of Colorado's high country. Read is a gifted writer and the book is a literary triumph. *Denver Post*. With gorgeous descriptions of the great outdoors, an illicit love story, and an unforgettable protagonist, *Go as a River* offers something for everyone. Real Simple. Set amid Colorado's wild beauty, a heartbreaking coming-of-age story of a resilient young woman whose life is changed forever by one chance encounter. A tragic and uplifting novel of love and loss, family and survival, and hope for readers of *Great Circle*, *The Four Winds*, and *Where the Crawdads Sing*. Seventeen-year-old Victoria Nash runs the household on her family's peach farm in the small ranch town of Iola, Colorado, the sole surviving female in a family of troubled men. Wilson Moon is a young drifter with a mysterious past, displaced from his tribal land and determined to live as he chooses. Victoria encounters Wil by chance on a street corner, a meeting that profoundly alters both of their young lives, igniting as much passion as danger. When tragedy strikes, Victoria leaves the only life she has ever known, fleeing into the surrounding mountains where she struggles to survive in the wilderness with no clear notion of what her future will bring. As the seasons change, she also charts the changes in herself, finding in the beautiful but harsh landscape the meaning and strength to move forward and rebuild all that she has lost, even as the Gunnison River threatens to submerge her homeland, its ranches, farms, and the beloved peach orchard that has been in her family for generations. Inspired by true events surrounding the destruction of the town of Iola in the 1960s, *Go as a River* is a story of deeply held love in the face of hardship and loss, but also of finding courage, resilience, friendship, and finally home where least expected. This stunning debut explores what it means to lead your life as if it were a river, gathering and flowing, finding a way forward even when a river is dammed.
