## **Hardcover Leadership Handbook:**

**The Leader's Handbook** Bill Michaelis, John M. O'Connell, 2013 The Leader's Handbook Second Edition updates the previous edition's references and resources and adds many new ones and triples the number of photographs. This book is based on over 35 years of practical experience and very few if any leadership books have this depth of leadership analysis. It is geared toward training group management and youth development and will demonstrate how to effectively work with and lead games and play activities. Topics include basic concepts, enthusiasm, safety, presentation, maintaining the flow of play, closing a game session, game theory, leader roles, managing a large event, positive discipline, situational leadership, and transition activities. A variety of resources including books, magazines, equipment, and organizations are also provided. Focusing on more than just theory, The Leader's Handbook is a practical guide that shows leaders how to create fun with real people in real situations.

**The Leadership Handbook** John C. Maxwell, 2008 The path to leadership begins with a question: only a few of us ask, "How do I lead myself?" John Maxwell presents twenty-six insights not just for those who aspire to positions of leadership but also for veteran leaders who aim to build and improve upon the steps that led them to the front of the line. Sound leadership will impact any endeavor, but sound leaders are prepared for risk and importantly, failure just as they point the way toward achievement. With application exercises and a "Mentoring Moment" to accompany each chapter, The Leadership Handbook presents a road map for a path many may cross but few choose to follow. A leader counsels Maxwell never has to recover from a good start. Publisher's website:
