Myth Retelling Novel Spotlight:

The Meaning of Myth in Uncertain Times Evelien Bracke, 2025-12-29 This book examines how ancient mythology forms part of the stories we tell ourselves about today's uncertain times not only in popular culture but also in sociocultural and political debates. It particularly explores the ways in which classical myths shape how our modern secular societies think about the interconnected geopolitical, technological and ecological issues we are facing and our potential futures. Classical myths like those of Achilles, Medea and Odysseus are everywhere from films and novels to social media and games. But how and why are we still fascinated with them particularly now? Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today? This expanded English edition of Evelien Bracke's award-winning Dutch book *Leidraad door het labyrint* explores how and why Greek and Roman myths, despite their ancient origins, are surprisingly meaningful in these times of uncertainty. Bracke offers a contextualization and literary analysis of classical mythology looking at both texts and visual media. This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century. *The Meaning of Myth in Uncertain Times* is suitable for students, scholars, teachers and general readers interested in mythology and ancient Greek and Roman history and culture, providing insights that are relevant to the challenges we all face today.

Get Those Guys Reading! Kathleen A. Baxter, Marcia Agness Kochel, 2012-05-07 Want to identify fiction books that boys in grades three through nine will find irresistible? This guide reveals dozens of worthwhile recommendations in categories ranging from adventure stories and sports novels to horror, humorous and science fiction books. In *Get Those Guys Reading! Fiction and Series Books that Boys Will Love*, authors Kathleen A. Baxter and Marcia A. Kochel provide compelling and current reading suggestions for younger boys. Information that educators, librarians and parents alike are desperate for. Comprising titles that are almost all well-reviewed in at least one major professional journal or that are such big hits with kids that they've received the stamp of approval from the most important reviewers, this book will be invaluable to anyone whose goal is to help boys develop a healthy enthusiasm for reading. It includes chapters on adventure books, animal stories, graphic novels, historical fiction, humorous books, mystery, horror and suspense titles, science fiction and fantasy, and sports novels. Within each chapter, the selections are further divided into books for younger readers (grades 3-6) and titles for older boys in grades 5-8. Elementary and middle school librarians and teachers, public librarians, Title I teachers and parents of boys in grades 3-9 will all benefit greatly from having this book at hand.
