**Discover Tina Folsom** Tina Folsom,2025-05-22 I've put together this collection to help new readers get acquainted with my writing. In it, you'll find three short stories: *Mortal Wish* (part of the Scanguards Vampires universe), *Steal Me* (a standalone romantic suspense set in London), and *The Wrong Suitor* (a Western), as well as excerpts to all my other books (50 in total), including an early preview of my new werewolf series *Werewolf Alliance*. I've been writing since 2008 and publishing romance novels since 2010. I'm a very prolific author, and sometimes it can be a bit daunting to wade through my various series to decide what to read next. I hope you'll find a series that you enjoy. [The Series Blueprint](#) Heather Cardona,2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner. By Book Three, *The Series Blueprint* is your long-range guide to building a series that actually works, from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer, planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over; choose the right series structure for your genre, audience, and goals; build book-level arcs that serve a bigger long-form story; decide between saga, episodic, or hybrid models with confidence; track character growth, worldbuilding, and continuity without overwhelm; balance creativity with strategy without killing your spark; finish a series feeling proud instead of burned out. Whether you're planning your first series, halfway through a tangled one, or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee. **A Fate so Dark and Delicate** Sophia St. Germain,2025-12-17 You'll have me in every lifetime.
