**Story Work** GG Renee Hill, 2025-11-04 A guide to understanding the stories we tell ourselves and the actions needed to reclaim power over our narrative We absorb the world around us through stories It's how we make sense of our surroundings our communities and ourselves There's often truth and validity in these stories But the stories we tell ourselves are not an end all be all Instead they're all part of a larger ongoing unfinished narrative one that we must continually refresh expand and contemplate to stay soft and open hearted Here's the thing we can choose to keep these stories open to possibility and imagination or we can choose to keep them closed That's where Story Work comes in Through essays and prompting questions GG Renee Hill invites readers to breathe new life into the stories we carry She leads by example by penning the raw material of her own life an upbringing raised by a mother with schizophrenia and a lifetime of internal and external forces trying to minimize that impact It was a long old heavy story Hill silently carried with her the powerless girl who lost her voice in the wreckage of her mother's condition until she turned to writing and began to change the meaning she'd assigned to her experiences And she doesn't stop there Hill invites readers to the transformative practice of creative self discovery through storytelling treating our life experiences as creative material that we have the power to shape For the person searching Story Work is the answer that enables us to live with an open hearted curiosity one that both fuels and grounds us

Best Articles & Stories, 1961      **The Common Review**, 2006      *Brave Together: Lead by Design, Spark Creativity, and Shape the Future with the Power of Co-Creation* Chris Deaver, Ian Clawson, 2023-12-05

*Brave Together* is a powerful book that can transform the lives of leaders, creators, or anyone looking to shape the future. It comes from the thought leaders who helped Apple shift the culture from thinking different to working different together. Groundbreaking. Get ready to be inspired and join the co-creation movement.

Marshall Goldsmith, Thinkers50, 1 Executive Coach and New York Times bestselling author of *The Earned Life*. *Brave Together* is an exhilarating exploration of genuine collaboration where every voice matters and every idea is a potential catalyst for transformation.

Daniel H. Pink, 1 New York Times bestselling author of *Drive*, *To Sell is Human*, and *The Power of Regret*. How did Apple overcome a culture of secrecy? How did Pixar out-innovate Disney? Why do companies kill creativity? Does *Shark Tank* teach us something about the way we pursue success that isn't true? We've been told that working harder and smarter is the only way to succeed in business and life. But it's not true. Hustle culture is causing burnout and pain in our lives, making us feel divided. What if instead we focused on working creatively with others? And asked: How can we shape cultures people love? There is hope in co-creation. *Brave Together* is a deep exploration into how we can live and lead as co-creators, filled with unexpected stories, powerful principles, and a future-oriented framework. The authors have pressure tested this work with startups and Fortune 500s, including Apple. Coaching leaders how to reimagine their approach to culture, converting creative ideas into billion-dollar solutions with the help of these patterns.

The Mirror Test: Take ownership of your reality and your creative identity. The Hero's Sacrifice: Break free of ego to connect with others in inspiring ways. Become the Future: Create a synthesis manifesting the best in mind, heart, and spirit.

Chris Deaver and Ian Clawson have written a handbook that challenges the status quo approach to leadership, work, and culture. It offers the path to a bright future that isn't self-made but shared.
