Huawei Xiaoying Dong,Mengling Yan,Yanni Hu,2023-01-09 Through in depth case studies this book seeks to reveal the

secret of Huawei's rapid growth. The content of this book is rich and detailed. The authors combine first-hand interview data including Huawei managers of many functional departments such as research and development, marketing, supply chain management, and human resources, as well as Huawei's suppliers, partners, and competitors. This book analyzes the articles and speeches published by Huawei's leader Ren Zhengfei since 1994, both in the public and internally, and references various materials about Huawei, including employee's postings in the social media, news reports, research papers, books, etc. The book systematically describes the key elements of Huawei's strategy, corporate culture, organizational capabilities, and R&D innovation system, and so on. The book also compared the differences between Huawei and Cisco in many subjects, as leadership, culture, organization transformation, and management capabilities. For whoever tries to understand Huawei, this book is an excellent reference book. In the companion book *Cisco Integration of Innovation and Operation*, the author tells another growth path of technology company in America. The Potentiometer Handbook Carl David Todd, 1975

Information Assurance Handbook: Effective Computer Security and Risk Management Strategies Corey Schou, Steven Hernandez, 2014-09-12. Best practices for protecting critical data and systems. Information Assurance Handbook: Effective Computer Security and Risk Management Strategies discusses the tools and techniques required to prevent, detect, contain, correct, and recover from security breaches and other information assurance failures. This practical resource explains how to integrate information assurance into your enterprise planning in a non-technical manner. It leads you through building an IT strategy and offers an organizational approach to identifying, implementing, and controlling information assurance initiatives for small businesses and global enterprises alike.
