**Neville Goddard For Blockheads and Lazy People** Jakab Zoltán, 2025-05-28

What if you could manifest your dream life from your couch snacks in hand, no vision boards required? In this refreshingly hilarious guide, Zoltán Jakab breaks down Neville Goddard's Law of Assumption for the rest of us: the skeptics, the procrastinators, the cat lovers, and the caffeine-fueled couch philosophers. You'll learn how to Reprogram your reality with lazy but powerful techniques. Use Neville's State Akin to Sleep without falling asleep mid-manifestation. Assume wealth, love, success, or sanity, and let the universe handle the logistics. Laugh your way through deep spiritual truth, finally. Whether you're new to manifesting or just sick of chanting under full moons with no results, this book is your permission slip to simplify, relax, and assume the best version of you. Turn I am into your personal superpower and let your imagination do the heavy lifting, because why work hard when you can manifest smarter? Includes irreverent chapter titles, real-world analogies, and wisdom that actually sticks.

*Black Capitalists* Rachel Laryea, PhD, 2025-06-10

A groundbreaking look at how Black visionaries from Wall Street to Lagos and beyond are reimagining capitalism to benefit the needs of Black people and ultimately everyone. Black Capitalists is a dive into the history of how money is made and our attitudes about wealth. A must-read, Vanessa Williams, singer, actress, author, producer, and former Miss America. To many, the term Black Capitalists is oxymoronic. Black people were the labor force that built the infrastructure of American capitalism through the violent enforcement of legalized slavery, so they cannot and should not aspire to be the beneficiaries of it. But Wall Street professional and Yale-educated anthropologist Dr. Rachel Laryea poses a provocative question: What if there was a way to thrive within capitalism without diminishing someone else's life chances through exploitative practices? There is, and Black Capitalists are showing us how. Told through Dr. Laryea's own compelling narrative growing up the child of a single mother who immigrated to the United States from Ghana and rose to the Ivy League and on Wall Street with original on-the-ground reporting and rigorous historical analysis, Black Capitalists challenges readers to reconsider who gets to be the beneficiary of capitalism and reckons with the responsibility that comes with using the tools of our imperfect economic system to advance social good. Dr. Laryea reveals in detail how race profoundly shapes the way we participate in capitalism and how understanding these differences can guide us toward a more inclusive and equitable future. From newly minted undergraduates who find themselves working twenty-hour days to prove their worth on Wall Street to Nigerian startup founders working to build global credit scores spanning the streets of Accra to the boardrooms of Goldman Sachs, Black Capitalists stories and analysis of innovators who are as ambitious as they are altruistic.

demonstrate the resilience creativity and ingenuity of Black people who have long been excluded from the full benefits of the American economic system At its core Black Capitalists shows a more productive and more inclusive way forward [Social Media for Strategic Communication](#) Karen Freberg,2021-07-02 Social Media for Strategic Communication Creative Strategies and Research Based Applications Second Edition teaches students the skills and principles needed to use social media in persuasive communication campaigns This book combines cutting edge research with practical on the ground instruction to prepare students for the real world challenges they ll face in the workplace By focusing on strategic thinking and awareness this book gives students the tools they need to adapt what they learn to new platforms and technologies that may emerge in the future A broad focus on strategic communication from PR advertising and marketing to non profit advocacy gives students a broad base of knowledge that will serve them wherever their careers may lead The Second Edition features new case studies and exercises and increased coverage of diversity and inclusion issues and influencer marketing trends [The Basics of Business Start-Up](#) Alexandrina Pauceanu,2025-09-10 The Basics of Business Start Up outlines the entrepreneurial journey from inception to start up Starting from the basic concepts and working through the start up process step by step the book is an indispensable guide both for would be entrepreneurs and students on entrepreneurship small business courses Key features of this book include A step by step sequential approach detailing the typical entrepreneurial journey Non technical introduction to the basic business functions including budgeting accounting marketing and more A readable and accessible beginner s guide to entrepreneurship and business start up Written in a refreshingly personal style this concise guide is the perfect starting point for anyone seeking to put their entrepreneurial ambitions into action

**TikTok for Sales** Josué Matos, In the ever-evolving digital landscape where trends shift at the speed of a click, few platforms have reshaped the sales and marketing game quite like TikTok. What initially seemed like a space for fun and creative videos has become a powerful tool for brands seeking authentic connections with their consumers. Far from being a passing trend, TikTok represents a revolution in how products and services are promoted and sold online. This is the second book in a series designed to explore the potential of social media platforms for sales. While the first volume, *Instagram for Sales: Strategies to Convert Followers into Customers*, focused on a well-established platform known for its visual and interactive appeal, this book dives into a dynamic and opportunity-rich terrain. *TikTok for Sales: Viral Strategies for Growth and Conversion* is an essential guide for anyone looking to harness the viral power of TikTok, transforming creativity into real conversions. With over 150 million active users in the United States alone and a global user base exceeding 1 billion, TikTok is not just a social network but a global stage where brands can shine by telling their stories in engaging and innovative ways.

Through trends challenges short videos or live streams TikTok offers endless possibilities for entrepreneurs of all sizes to stand out in today's competitive market. In this book I've explored every aspect of the platform from setting up an attractive business profile to advanced sales strategies and performance analysis. Organized into 30 chapters the content is tailored for both beginners and seasoned professionals providing valuable and practical insights. You'll learn how to navigate TikTok's algorithm, create engaging content, leverage features like TikTok Shopping and hashtags, and build partnerships with creators to maximize your sales. As a digital marketing professional inspired by my international journey I bring a global perspective to this work. My name is Josu Matos author of over 50 books including Rich Uncle Poor Nephews and The Art of Reinvention. With a decade of experience in digital platforms and a Bachelor's degree in Advertising Marketing and Communications underway I have dedicated my career to helping entrepreneurs succeed in the digital world. My travels across Northern Ireland, Canada, and the United States have broadened my outlook and enabled me to develop innovative strategies which I share with you in this book. Get ready to discover how to turn creativity into conversions, trends into sales, and followers into loyal customers. Welcome to a new era of sales on TikTok. Together let's explore this dynamic platform and take your business to the next level.
