Movie Franchise Wars Ethan Parker, 2025-02-24 Movie Franchise Wars explores the high-stakes world of film franchises, dissecting the business strategies and creative clashes that determine success in Hollywood. It examines how franchises balance commercial demands with artistic vision to capture audiences and dominate the box office. The book progresses from the economic principles of franchise filmmaking to narrative structures and, finally, the cultural impact of these cinematic universes. This comprehensive approach provides valuable insights for film students, media scholars, and industry professionals, offering a framework for understanding the complex dynamics that shape the film industry.
