Ray Mungo, Raymond Mungo

Gothic Fantasy Step By Step:

How to Draw Gothic Fantasy Art Steve Beaumont, 2017-07-15 This engaging book will appeal to any art lover or for that matter any young person who is interested in drawing. It offers a step by step process for creating some of the most gory and villainous gothic characters around in line with those found in the most popular graphic novels today. It covers techniques such as drawing the right angle of lighting, shading, body language and more. You don't have to be an amazing artist to draw some of the most compelling characters. This book teaches readers just how to do that. **Form in Gothic** Wilhelm

Worringer, 1927 Les Vestiges Du Gothique Catherine Lanone, 2004 **"William Reid Dick, Sculptor"** Dennis Wardleworth, 2017-07-05 William Reid Dick 1878-1961 was one of a generation of British sculptors airbrushed out of art history by the Modernist critics of the late twentieth century. This long overdue monograph adds to the recent revival of interest in this group of forgotten sculptors by describing the life and work of arguably the leading figure of the group in unprecedented depth. The facts of Reid Dick's life and his most important works are presented against a backdrop of the historical, social and aesthetic changes taking place during his lifetime. Dennis Wardleworth elucidates why Reid Dick's reputation plummeted so quickly and why his position in the history of British art deserves to be restored. This study draws upon a wealth of previously unpublished material including over 2000 letters and press cuttings and photographs in the Tate Archive as well as letters and photographs held by Reid Dick's family. It traces the sculptor's story from his birth in the Gorbals in Glasgow to his election to the Royal Academy and knighting by George V to the decline of his career and his late life connection with American millionaire and art collector Huntington Hartford. The first monograph on Reid Dick since 1945, the book also includes images of over 40 of his works and a listing of over 200 works identified by the author. *Private and Fictional Words (Routledge Revivals)* Coral Ann Howells, 2014-08-07 First published in 1987, this is an introductory study of the most widely read Canadian women novelists of the 1970s and 1980s. At its centre lies the question of how the search for a distinctive cultural identity relates to the need for a national cultural identity in the post-colonial era. Coral Ann Howells argues that Canadian women's fiction throughout the period of study represents how the Canadian cultural identity exceeds its geographical limits and those traditional structures of patriarchal authority need revision if women's alternative views are to be taken into account. Including short biographical sketches and a complete list of the books published by the authors under discussion, writers examined include Margaret Atwood, Alice Munro and Margaret Laurence. **The Encyclopedia of Fantasy** John Clute, John Grant, 1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction*, this massive reference of 4,000 entries covers all aspects of fantasy from literature to art. American Studies Marta Wiszniowska-Majchrzyk, 1996 Critical Discourses of the Fantastic, 1712-1831 David Sandner, 2016-04-22 Challenging literary histories that locate the emergence of fantastic literature in the Romantic period, David Sandner shows that tales of wonder and imagination were extremely popular throughout the eighteenth century. Sandner engages contemporary critical

definitions and defenses of eighteenth and early nineteenth century fantastic literature demonstrating that a century of debate and experimentation preceded the Romantic s interest in the creative imagination In *The Fairy Way of Writing* Joseph Addison first defines the literary use of the supernatural in a modern and rational age Other writers like Richard Hurd James Beattie Samuel Johnson James Percy and Walter Scott influence the shape of the fantastic by defining and describing the modern fantastic in relation to a fabulous and primitive past As the genre of the purely imaginary Sandner argues the fantastic functions as a discourse of the sublime imagination albeit a contested discourse that threatens to disrupt any attempt to ground the sublime in the realistic or sympathetic imagination His readings of works by authors such as Ann Radcliffe William Beckford Horace Walpole Mary Shelley Walter Scott and James Hogg not only redefine the antecedents of the fantastic but also offer a convincing account of how and why the fantastic came to be marginalized in the wake of the Enlightenment

British and American Studies ,1995 **Fantasy and Horror** Neil Barron,1999-06-17 More than 2 300 works of fiction and poetry are discussed each cross referenced to other works with similar or contrasting themes Winners and nominees for major awards are identified Books that are part of a series are flagged with a complete list of books in series included in a final chapter along with a comprehensive list of awards of translations and of young adult and children s books

Mervyn Peake Tanya J. Gardiner-Scott,1989 This study traces Mervyn Peake s evolution from aesthetically Gothic writer to socially aware Dark Romantic through an investigation of his theme of the relativity of perception Its contents include an in depth analysis of the metamorphic fluidity of identity revealed in *Titus Groan* 1946 *Gormenghast* 1950 and *Titus Alone* 1959 1970 with a detailed examination of the latter s prepublication sources and its links with Holocaust literature and dystopian science fiction This close reading of the Titus novels places Peake firmly in the postmodernist tradition
