Sexualised Masculinity John Mercer, Clarissa Smith, 2025-02-10 *Sexualised Masculinity: Men's Bodies in 21st Century Media Culture* explores evolving portrayals of masculinity in contemporary media, focusing on the increasing eroticisation of the male body. This book examines how traditional and digital media, from films and television to social media platforms and fashion, have transformed the ways masculinity is represented and perceived. Through a wide array of case studies, it highlights how male bodies are now sites of erotic value, challenging long-standing norms and expectations. By exploring both global and local media, John Mercer and Clarissa Smith provide insights into the shifting landscape of gender and sexuality, offering a critical perspective on how masculinity is consumed, performed, and commodified in today's world. This book is essential for students and scholars in fields such as gender studies, media studies, cultural studies, and social history, and is particularly relevant for those interested in understanding the intersections of masculinity, media, and sexuality in the 21st century.

The Routledge Handbook of Motherhood on Screen Susan Liddy, Deirdre Flynn, 2025-04-25 *The Routledge Handbook of Motherhood on Screen* offers a comprehensive global analysis of the representation of Mothers and Motherhood in contemporary screen industries and online spaces. shit I m so thankful for this book Jameela Jamil actress and host of I Weigh Journalist Rina Raphael looks at the explosion of the wellness industry how it stems from legitimate complaints how seductive marketing targets hopeful consumers and why women are opening up their wallets like never before Wellness promises women the one thing they desperately desire control Women are pursuing their health like never before Whether it s juicing biohacking clutching crystals or sipping collagen today there is something for everyone as the wellness industry has grown from modest roots into a 4 4 trillion entity and a full blown movement promising health and vitality in the most fashionable package But why suddenly are we all feeling so unwell The truth is that deep within the underbelly of self care hidden beneath layers of clever marketing wellness beckons with a far stronger more seductive message than health alone It promises women the one thing they desperately desire control Vividly told and deeply reported The Gospel of Wellness reveals how this obsession is a direct result of women feeling dismissed mistreated and overburdened Women are told they can manage the chaos ruling their life by following a laid out plan eat right exercise meditate then buy or do all this stuff And while wellness may have sprung from good intentions we are now relentlessly flooded with exploitative offerings questionable ideas and a mounting pressure to stay devoted to the divine doctrine of wellness What happens when the cure becomes as bad as the disease With a critical eye humor and empathy wellness industry journalist Rina Raphael examines how women have been led down a kale covered path promising nothing short of salvation She knows Raphael was once a disciple herself trying everything from clean eating to electric shock workouts until her own awakening to the troubling consequences Balancing the good with the bad The Gospel of Wellness is a clear eyed exploration of what wellness can actually offer us knocking down the false idols and commandments that have taken hold and ultimately showing how we might shape a better future for the movement and for our well being
