Cosmic Ordering Service:

The Cosmic Ordering Service Barbel Mohr, 2001-10-14 If you're holding this book in your hand then you've already changed your life. Are you still waiting for your ship to come in? Looking for the relationship you can't seem to find? Working just to pay the bills until that perfect job comes along? Don't you wish that you could just place an order for the life that you want? Well, you can. And you don't have to chant, meditate, pray, fast, work, or do anything just relax. And there won't be any bill to pay. Seems impossible? That's what the author said. If after reading this book you think that cosmic ordering is total nonsense but you decide to place an order with the universe anyway just to prove me wrong then you have subscribed to this ordering service just the way I first did. And you just might start as wonderful a journey towards an easier, more fulfilling life. The Cosmic Ordering Service is a guide to realizing your dreams. Best-selling author Barbel Mohr can teach you how to fulfill all your wishes just by placing an order with the universe. You'll learn how she has used the Cosmic Ordering Service to gain her dream job, the ideal man, money, health, even a castle to live in. Mohr will show you as she has taught hundreds of thousands of European readers how to listen to your inner voice, place your order, sit back and let marvelous things happen. The hard part is deciding what you really want. Once you've figured that out, this charming, witty, and insightful book is going to tell how to get it. *Cosmic Ordering* Barbel Mohr, 2025-09-12

Her first book *The Cosmic Ordering Service* with more than 1 million in sales in Mohr's home country of Germany recently exploded across England after Noel Edmonds' popular host of *Deal or No Deal* revealed that he followed the book's principles and they had changed his life. We have all had an experience where we've secretly wished for something from finding the right partner to scoring a good parking spot then voila had that wish become reality. While some might write it off as coincidence, Barbel Mohr explains through her theory of cosmic ordering that it's anything but random luck. In *Cosmic Ordering*, author Barbel Mohr delves deeper into the idea of placing orders with the universe with more hints and ideas behind the belief that we are in charge of our own reality. Mohr's playful, simple approach to this popular concept is both entertaining and inspirational. *Cosmic Ordering* includes more of Mohr's experiences as well as stories from readers who've used the Cosmic Ordering Service themselves. Learn why it's best not to tell people about your cosmic orders before they are delivered, what you need to know to get started, plus more tricks to get what you want. **Cosmic Ordering for Beginners** Barbel Mohr, 2010-03-01
