Cot Exam Study Guide:

Preparing for the IJCAHPO Certified Ophthalmic Technician (COT) International Joint Commission on Allied Health Personnel in Ophthalmology, 2020 The principal purpose of this study guide is to assist you in preparing to take the Certified Ophthalmic Technician COT examination. This guide will help build on what you have already learned, aid you in identifying where you need to focus your study time, identify areas where you feel less confident, and help you study more effectively. While this study guide cannot give you the questions and answers for the examination, it does provide you with the knowledge and content areas for the examination, describes study methods that have worked for other COTs, and offers you a self-assessment of sample items and a practice examination so you will have a better idea of what to expect when you take the actual examination. Also included are the Quick Study Cards to help you prepare for IJCAHPO's certification examinations. These flashcards assist in preparation for the COT exam. The questions highlighted on the Quick Study Cards will help you prepare for each examination content area.

Certified Ophthalmic Technician Exam Review Manual Janice K. Ledford, 2024-06-01 As the field of eye care has advanced, so have the knowledge and skills needed to best care for our patients. Certification is a way to hold the profession to a high standard that is appreciated and in some cases required by clinics and offices everywhere. For the past 30 years, Janice K. Ledford's exam review manuals have been the must-have certification study aids used by those wishing to advance their careers with increased knowledge and certification. This third edition of Certified Ophthalmic Technician Exam Review Manual provides the ultimate experience in exam preparation. This best-selling text is ideal for both individual and group study. The explanatory answers contribute to your understanding of the material rather than only providing right or wrong feedback. Certified Ophthalmic Technician Exam Review Manual Third Edition expands on what was originally the only study material available for this highly specialized exam. It remains the go-to source for the most questions and explanatory answers and has been updated to the latest IJCAHPO criteria. With more than 1800 questions, this text covers all 22 of IJCAHPO's criteria subjects at the COT level.
