Postfeminist Film & Literary Aesthetics Alyce Corbett, 2025-05-23 Postfeminist Film Literary Aesthetics In Search of the Female Gaze represents a novel and comprehensive study of the aesthetic and affective textual innovations of women in the 21st century from a postfeminist perspective. This book both defines and helps shape the contours of four fast growing critically and commercially popular modes: millennial film and fiction, metamodernism, an anti narrative and decorative realm named here as still life and new cli fi in which there is no clear male equivalent or in which women's work can be read as a distinct aesthetic force. As the textual constellation of now is being mapped and its key texts being canonised, this book contributes to the current recentring of aesthetic taste that is occurring in literature, film and surrounding criticism, making greater space for the appreciation of female aesthetics and for future inquiries in this field.

Unseasonable Sarah Dimick, 2024-10-08 As climate change alters seasons around the globe, literature registers and responds to shifting environmental time. A writer and a fisher track the distribution of beach trash in Chennai, chronicling disruptions in seasonal winds and currents along the Bay of Bengal. An essayist in the northeastern United States observes that maple sap flows earlier, now prompting him to reflect on gender and seasons of transition. Poets affiliated with small island nations arrive in Paris for the United Nations climate summit, revamping the occasional poem to attest to intensifying storm seasons across the Pacific. In *Unseasonable*, Sarah Dimick links these accounts of shifting seasons across the globe, tracing how knowledge of climate change is constructed, conveyed and amplified via literature. She documents how the unseasonable reverberates through environmentally privileged and environmentally precarious communities. In chapters ranging from Henry David Thoreau's journals to Alexis Wright's depiction of Australia's catastrophic bushfires, from classical Tamil poetry to repeat photography, Dimick illustrates how seasonal rhythms determine what flourishes and what perishes. She contends that climate injustice is an increasingly temporal issue, unfolding not only along the axes of who and where but also in relation to when. Amid misaligned and broken rhythms attending to the shared but disparate experience of the unseasonable can realign or sharpen solidarities within the climate crisis.

Forever Young Claude Nougaro, 2014-05-06 What it takes to save the world from extinction 200 years from now: the world in the grip of global warming is eerily like ours, only much worse. The ultra rich, a.k.a. the One Percenters, live in protected areas while the rest of humanity faces pollution, plagues and early death. The One Percenters are the only ones who can afford all the advances of technology, in particular the exclusive Age Prevention Program (APP) that lets them live their whole life span looking forever young till the day they drop dead. Three friends struggling for survival: Lizzie, a young California golf champion; Jamie, an investigative journalist for the *World and US Post*; and Alice, a lovely Swiss nurse, try to enter the APP. Meanwhile, Lizzie's uncle, a determined and ruthless 99 Percenter, retired from the military, lurks around hell bent on carving a place for himself in the APP. Only two options are open to escape extinction: one, fly to another planet a thousand light years away, pristine and green, much like Earth before industrialization.

but the so called Immortality Trip is reserved to One Percenters the other retreat to Antarctica the last virgin continent but it is in the hands of Gary Trude XIII a Hitlerian style autocrat Can Lizzie Jamie and Alice escape from Gary Trude and join the Immortality Trip NOTE TO THE READER This book follows the model of serialized novels and is digitally published in four separate parts each self standing It is however preferable to read them in order and the present book is an omnibus edition that includes all four parts PART ONE Gateway to Forever explores the costly APP and what it means to belong to it or remain outside PART TWO The Immortality Trip is the name given to the project to transport a contingent of One Percenters to the nearest liveable exoplanet and settle it Will Jamie Lizzie and Alice be able to board that trip [The World Book](#)
