**Forest and Stream**, 1891 **Recapture the Rapture** Jamie Wheal, 2021-04-27 A highly personal richly informed and culturally wide ranging meditation on the loss of meaning in our times and on pathways to rediscovering it Gabor Mat MD author of In The Realm of Hungry Ghosts Close Encounters With Addiction A neuroanthropologist maps out a revolutionary new practice Hedonic Engineering that combines the best of neuroscience and optimal psychology It's an intensive program of breathing movement and sexuality that mends trauma heightens inspiration and tightens connections helping us wake up grow up and show up for a world that needs us all This is a book about a big idea And the idea is this Slowly over the past few decades and now suddenly all at once we're suffering from a collapse in Meaning Fundamentalism and nihilism are filling that vacuum with consequences that affect us all In a world that needs us at our best diseases of despair tribalism and disaster fatigue are leaving us at our worst It's vital that we regain control of the stories we're telling because they are shaping the future we're creating To do that we have to remember our deepest inspiration heal our pain and apathy and connect to each other like never before If we can do that we've got a shot at solving the big problems we face And if we can't Well the dustbin of history has swallowed civilizations older and fancier than ours This book is divided into three parts The first Choose Your Own Apocalypse takes a look at our current Meaning Crisis where we are today why it's so hard to make sense of the world what might be coming next and what to do about it It also makes a case that many of our efforts to cope whether anxiety and denial or tribalism and identity politics are likely making things worse The middle section The Alchemist Cookbook applies the creative firm IDEO's design thinking to the Meaning Crisis This is where the book gets hands on taking a look at the strongest evolutionary drivers that can bring about inspiration healing and connection From breathing to

movement sexuality music and substances these are the everyday tools to help us wake up grow up and show up AKA how to blow yourself sky high with household materials And the best part They're accessible by anyone anywhere no middleman required Transcendence democratized The final third of the book Ethical Cult Building focuses on the tricky nature of putting these kinds of experiences into gear and into culture because anytime in the past when we've figured out combinations of peak states and deep healing we've almost always ended up with problematic culty communities Playing with fire has left a lot of people burned This section lays out a roadmap for sparking a thousand fires around the world each one unique and tailored to the needs and values of its participants Think of it as an open source toolkit for building ethical culture In Recapture the Rapture we're taking radical research out of the extremes and applying it to the mainstream to the broader social problem of healing believing and belonging It's providing answers to the questions we face how to replace blind faith with direct experience how to move from broken to whole and how to cure isolation with connection Said even more plainly it shows us how to revitalize our bodies boost our creativity rekindle our relationships and answer once and for all the questions of why we are here and what do we do now In a world that needs the best of us from the rest of us this is a book that shows us how to get it done [Mitigating Bias in Machine Learning](#) Carlotta A.
