Ranjay Gulati,2025-09-30 A USA Today Bestseller I love this book How to Be Bold is a practical road map filled with real life stories that will inspire you and help you find courage when it matters most Mel Robbins New York Times bestselling author and host of The Mel Robbins Podcast From the distinguished Harvard Business School professor and author of Deep Purpose comes a fresh examination of courage what it is and how we are all capable of brave acts What leads people to speak truth to power share bold new ideas or put their lives on the line Most of us chalk it up to personality presuming that our heroes are naturally fearless But what if courage isn t simply a matter of personality What if it s something that any of us can develop In How to Be Bold Ranjay Gulati offers a powerful playbook for becoming bolder and braver than we ever thought possible Rather than leaving brave deeds to mythological heroes and resigning ourselves to apathy or cowardice we can train ourselves to step up and act in the face of uncertainty The key Gulati argues is to adopt ways of thinking that allow us to neutralize or moderate our fears By shifting how we see ourselves and the world we can lower the odds that we ll freeze up in the moment while also sustaining courage over prolonged periods We also can inspire others around us to display what Gulati calls collective courage Gulati shares vivid accounts of extraordinary courageous behavior taking readers inside a nuclear reactor under threat of meltdown to the front lines of a war zone and into space with NASA astronauts Connecting these stories with more mundane examples such as the bravery shown by health care workers during the height of the COVID pandemic and by a whistleblower who took the bold step to expose their employer Gulati reveals that what all of these people have in common isn t fearlessness It s the ability to think in ways that help them manage their fears and make courageous action possible We all dream of being heroes and some of us actually live those dreams Whether you re a leader

steering your organization through uncertainty an activist standing up for your beliefs or a young person simply looking to live your best most fulfilling life How to Be Bold gives you the science based insight and strategies you need to take more action do more good and leave an inspiring legacy **Words on Cassette, 1999** Bowker Editorial Staff, Staff Bowker R R, Bowker, 1999-02
