Cast Away The Shooting Script:

Cast Away William Broyles, 2001-02-22 Cast Away began in 1994 when Fox executive Elizabeth Gabler told me that Tom Hanks thought there might be a movie in the story of a modern man stranded on a desert island which Tom jokingly called Chuck of the Jungle So begins William Broyles Jr's fascinating introduction written exclusively for this book about the process and challenges inherent in writing a screenplay that was not by design going to have a lot of dialogue in it and about his collaboration with two extraordinarily gifted artists actor Tom Hanks and director Robert Zemeckis Broyles's introduction shows how a movie and its story evolve shift and shape while the creators grapple with all manner of internal and external choices from developing what was Tom Hanks's idea into a story and building a narrative structure and thematic threads into a screenplay to researching the details of the specific and ironic situation of a FedEx executive stranded on a desert island
