Daniel Reid:

Shots from the Hip Daniel Reid, 2020-02-28 In this second volume of Daniel Reid's surprising memoir he tells us the rest of his remarkable story describing the unlikely turn of events that steered him by detours shortcuts and roundabouts that few would wish to take onto the Great Highway of Energy Light and Luminous Space Shots From the Hip is the memoir of Daniel Reid a world renowned expert on consciousness holistic medicine and living life to the full It recounts a life lived footloose and free unbound by convention and driven by a quest for new experiences on roads less traveled From the sex drugs and rock roll scene of Late Sixties America to the opium dens bars and bordellos of far flung Asian outposts the author recounts his outlandish escapades in a rollicking narrative told with flair and candor But that's just the tip of the iceberg Shots From the Hip is also an in depth commentary on life itself and a deliberation on death drawn from the author's own close encounters Reid who calls himself a Sinopath felt a link with China early in life compelling him to cultivate his taste for all things Chinese from poetry and philosophy to food and women His sinologisms entice the reader with tasty treats from the gourmet feast of traditional Chinese life There is also a love story running through these pages a tender tribute to the redemptive power of a woman's love for a man in the extremes of adversity For readers with an appetite for the exotic and bizarre the author offers a generous banquet of vicarious experience while for those interested in loftier ideas he shares new insights about ancient spiritual questions and the enduring mysteries of the mind Reid's explanations of alternate ways to understand reality drawn from Eastern teachings may provide readers with new perspectives on their own lives The Tao of Detox Daniel Reid, 2006-10-25 A practical guide to preventing and treating the toxic assault on our bodies Shows how the practices of periodic detox and rational retox can counteract the toxic nature of our modern lifestyles diets and environment Provides ancient Chinese methods and remedies that help the body repair itself Includes detoxification techniques formulas and exercises that work within 10 days Despite the wonders of modern medicine the state of human health throughout the world is eroding at an alarming rate The long term accumulation of toxins and acid waste in our bodies both from the chemically contaminated air we breathe and water we drink as well as the toxins we ingest in the form of low quality food preservatives and additives damages our organs corrodes our joints and arteries enervates our nervous system and inhibits our immune system Chronic pain and fatigue hypertension and heart failure cancer diabetes arthritis indigestion insomnia and even acne are all caused by the long term accumulation of toxins in our bodies In The Tao of Detox Daniel Reid combines traditional Eastern practices and the latest of modern Western thinking to offer detoxification methods that can repair in as little as seven to ten days much of the long term damage done He provides breathing exercises massage techniques and soft exercises such as yoga and tai chi that help the body to heal itself He also explains the importance of rational retoxification which allows the careful reintroduction of less healthy substances and offers ways to counteract those toxins we can't or don't want to avoid including alcohol and tobacco Reid explains that just as we care for our cars with regular tune ups by

practicing periodic detox as well as rational retox we can enjoy long and healthy lives and still be able to eat drink and be merry *The Tao of Health, Sex, and Longevity* Daniel Reid,1989-07-15 Written by a Westerner for the Western mind here is the first book to explore in light of modern science the balanced and comprehensive system of health care used by Chinese physicians martial artists and meditators for over 5 000 years Drawing on original Chinese sources and years of personal experience the author introduces the philosophy of Tai and gives detailed practical information Back cover **Daniel G.
