Dark Mistress Lessons Learned:

Dark Mistress A. C. Croom, 2012-06-01 Debra Mason was abducted as a young girl by a sadistic pedophile He held her captive and through abuse punishment and isolation turned her into a mirror image of himself to a point Psychiatric treatment and a return to normal life let her grow into a woman little knowing that inside her mind lurked the horror she was doomed to unleash on men of the same ilk as her abuser Her world disintegrated her marriage was lost and everything she had gained shattered as she fell into the deviance she had once escaped now she is lost within it The lessons she learned at the whim of a madman cast her into the same madness with the power to excite or kill Twenty five years later she chose to kill Her lessons learned turned her into a murdering Dark Mistress with no conscience now she must be stopped before she kills again

House of Darkness House of Light Andrea Perron, 2013-03-07 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970 The Arnold Estate located just beyond the village of Harrisville Rhode Island seemed the idyllic setting in which to raise a family The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse Secrets were kept and then revealed within a space shared by mortal and immortal alike Time suddenly became irrelevant fractured by spirits making their presence known then dispersing into the ether The house is a portal to the past and a passage to the future This is a sacred story of spiritual enlightenment told some thirty years hence The family is now somewhat less reticent to divulge a closely guarded experience Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf They consider the Perron family saga to be one of the most compelling and significant of a famously ghost storied career as paranormal researchers During a sance gone horribly wrong they unleashed an unholy hostess the spirit called Bathsheba a God forsaken soul Perceiving herself to be the mistress of the house she did not appreciate the competition Carolyn had long been under siege overt threats issued in the form of fire a mother's greatest fear It transformed the woman in unimaginable ways After nearly a decade the family left a once beloved home behind though it will never leave them as each remains haunted by a memory This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery an eternal journey for the living and the dead
