Even with a fairly detailed job description or a briefing by a knowledgeable recruiter job candidates rarely have all the tools they need to ace their interviews This is one of the reasons why interviews are so harrowing we have to pay close attention to what we're told what we're not told and the many non verbal signals we receive In addition many people who conducts the interviews aren't well prepared haven't been trained in interviewing and often don't even like the process The Essential Job Interview Handbook will help job seekers prepare effectively for interviews and become familiar with different types of interview questions and styles of interviews A unique feature of this book is the multiple answers it provides for each question rated good better and best with this feature you'll learn what makes a winning answer and understand the strategy behind it Whether you're just finishing school or have been working a long time The Essential Job Interview Handbook will give you all the powerful tools you need to not just get a job but to get the right one *Geplant habe ich gar nichts* Christine Nöstlinger, 1996 *Ermittlungen in Sachen Tatort* Eike Wenzel, 2000
