Chicago Blackhawks Zombie:

On the Wagon Lennox Nicholson, 2017-04-01 Jack Kerouac's *On the Road* helped to define freedom for a generation. But when a young recovering alcoholic turned to the Beat classic for inspiration, he saw more warning signs and wreckages than enlightenment and self-discovery. Was that really freedom? Setting off from Australia, Lennox Nicholson retraces the journey of Sal Paradise and Dean Moriarty but with one crucial twist: he will try to stay sober. Instead of booze, Benzos, and stolen cars, he will rely on the generosity of strangers he meets in the rooms of Alcoholics Anonymous (AA). Along the way, Nicholson talks freedom with everyone he meets. In comparing his own experiences of excess, indulgence, and freedom to that celebrated by the Beat writers, he discovers that the chalk and cheese forces of Beat and AA have plenty to learn from one another.

Morium S.J. Hermann, 2014-09-20 A GRIPPING SUPERNATURAL THRILLER Book 1 of the MORIUM TRILOGY If you had the powers to avenge yourself, would you? Bullied Years of shame. Lexi and Nathan knew pain. MORIUM is the story of Alexandria and Nathan and Stacy, three teenagers who were victims of bullying all through high school. They kept their torment a secret from their family and tried to cope in their own way. They only had each other. Their friendship saw them through the seemingly endless years of suffering. But hope was in sight: they will be graduating soon. The vision of a new life away from the bullies and the constant humiliation gave them something to look forward to. If only that day came sooner. One night, Lexi and Nathan saw an object fall from the sky and went to investigate. As they touched the rock, a strange power entered their bodies. Suddenly, they're not helpless anymore. They can get revenge for all the suffering and pain they had to endure. How will they use these powers? MORIUM discusses the moral dilemma of doing what's right against getting revenge. When your dignity has been shattered and your life has been a living hell, what is RIGHT? **Chicago Tribune Index**, 2004

The Bruins in 25 Games John G. Robertson, Carl T. Madden, 2023-01-30 Having played more than 7,500 regular season and playoff games since the franchise's inception in 1924, the Boston Bruins have become an iconic National Hockey League team, boasting a sizable fan base well beyond Massachusetts. In a century of spirited play, the Bruins have brought great joy and great disappointment to their passionate legions of followers across North America. Twenty-five of these games are presented here chronologically in great detail. Most will be known to hardcore followers of the Bruins; others may be on the obscure side. All of them combine to create a tapestry of triumphs, travails, cheers, and tears. The book follows the club's fortunes from the early days of Eddie Shore and Tiny Thompson through the halcyon seasons of the Kraut Line forward to the dominant renaissance years of the Orr-Esposito 1970s and into the third decade of the 21st century. *Eventus* S.J. Hermann, 2015-04-13 When seventeen-year-old Evan discovered he was nearly omnipotent, he used it to get anything he could think of, well, almost anything. He enjoyed his extreme pranks and got away with it every single time. Spared from his twisted and perverted wishes, his parents were the only ones he truly cared about. Never one to guard his thoughts and unaware of the extent or the limitations of his godlike powers, one day he makes a wish that forever changes his life and the world.
