The

7-day Low-carb Rescue and Recovery Plan Rachael F. Heller,Richard Ferdinand Heller,2004 Drs Rachel and Richard

Heller authors of the revolutionary New York Times bestselling Carbohydrate Addict RSS books are renowned for their ability to motivate readers with their own combined 200 pound weight loss success Drs Heller understand the physical and emotional reasons why people struggle to stay on their low carb diets or fall off them completely Now comes the right help at the right time a plan to put the low carb dieter back in control without deprivation in only a week or less Holidays vacation stress boredom and daily emotional wear and tear are all factors that can chip away at the most sincere diet commitment

What starts out as a simple cheat often leads to bona fide failure. In the end most low carb dieters are left to watch helplessly as their eating spirals out of control and the pounds creep or rush back on. Drs Heller know that once someone has fallen off any low carb diet they need help to get back on and stay on. Now there's a day by day scientifically based motivating and empowering program that will immediately reduce cravings satisfy the body's need for carbohydrates and help low carb dieters regain control over their eating and their weight.

The Carbohydrate Addict's 7-Day Plan Rachael F. Heller, Dr Rachael F. Heller, Richard F. Heller, 2004-12. Staying on a low carb diet doesn't have to be hard. If you'd like to reenergize and reinvigorate your Carbohydrate Addict's Adkins, South Beach or other low carb diet here's your chance to get excited all over again with a plan that's easy to follow, never boring or restrictive and that will have you losing weight again in a week. You can use The Carbohydrate Addict's 7 Day Plan to return successfully to the low carb diet of your choice and stay on it for a lifetime.

Official Gazette of the United States Patent Office United States. Patent Office, 1973-03. **Own It** Jon M. Garon, 2007. Own It provides the entrepreneur hands on examples and explanations of how to build long lasting value for the business through the use of trademarks, copyright, patents and other legal techniques. Each chapter provides a roadmap to the mysterious but critical relationships between intellectual property and innovation. It offers advice on maximizing the opportunities for financing, planning and competing in the e-commerce economy using common sense and the successful strategies of world renown companies. The book first focuses on the legal and business attributes of exclusivity and relevance to highlight how best to build market share and maximize profitability. Chapters on relevance and innovation focus on how to identify the opportunities for changes in processes and markets. It contrasts market relevance from social relevance, explaining the strategies of creating and marketing must have products. Using simple descriptions and numerous examples, the book explains how intellectual property assets can improve customer satisfaction and maximize profits. Because the relationship between entrepreneur and investor is critical to success, the book shows how to align the interests of investors and employees with the entrepreneur. Together with nuts and bolts information of the start up phase of business, this book provides the keys to building an economically stable business and a secure financial future. The Intellectual Property Reference Guide carefully explains patent, copyright, trademark, publicity rights and similar tools in the language of the start up business. The reference guide illustrates how to use intellectual property to reduce competition and increase profitability. By focusing on business entrepreneurs, the reference guide emphasizes what the business leader needs to know. Better than a get rich quick scheme, Own It provides the manual for making start up business profitable, stable and built to last.
