The Chief Sufferings of Life, and Their Remedies (Classic Reprint) Abbe Ephrem Duhaut,2015-07-08 Excerpt from The Chief Sufferings of Life and Their Remedies In every age men have struggled incessantly against suffering and striven to solve the deep mystery that it presents but apart from the solution given by Christianity no satisfactory explanation of it has ever been discovered Some deny the very existence of pain although it is folly to do so and such a denial is due to pride wounded by its own inability to understand and account for the suffering that presents itself on every side Others and they are more numerous try to avoid suffering and do all in their power to escape it but they never succeed and only add fresh burdens to those already laid upon them Others again have recourse to all possible distractions hoping thus to forget their troubles yet sooner or later they are forced to acknowledge the futility of all their efforts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
