About the Book Why don't we spend much more of our time studying the art of negotiating Perhaps a major reason is that divorce is a process and not much of our legal education is focused on the process The goal of this book is to explore in detail the scope of knowledge and skills that would be appropriate for professionals who are involved in the negotiation of divorce agreements This is a book about negotiating And since all of this negotiating takes place in the context of the divorce process this is also a book about the divorce process L D Gaughan *Negotiating Strategies and Challenges in the Divorce Process* represents the professional legacy of my father Lawrence D Gaughan a monumental pioneer in the field of family law and mediation Completed months before my father's death and published posthumously this book serves as an academic textbook as well as a developmental guide for professionals I remember around the time my father turned 65 I asked him when he planned to write a book related to his life's work His response was I will think about it when I get closer to retirement Twenty years later with his practice finally starting to wind down he announced that he had completed the final edit of his book Just a few short months after that he was suddenly stricken with aggressive metastasized melanoma He passed away on June 23rd 2019 But my father lives on in the artful illustrations of his brilliant ideas interwoven and crafted into these chapters I am honored that in his final wishes he entrusted me with the task of making sure his contribution to the field of family law was properly published and promoted Anyone from the lay reader to the family law professional will find this book to be enlightening It is a thoroughly informative insightful and creative examination of how the art of negotiation can be used most effectively in the divorce process W Lawrence Gaughan son of Lawrence D Gaughan About the Author Lawrence D Gaughan was the founder and Professional Director of Family Mediation of Greater Washington He earned a J D from the University of Montana 1957 and an LL M from the University of Virginia 1964 L D Gaughan practiced family law and family mediation in Northern Virginia from 1979 until his death in 2019 He was also a law professor at the University of Virginia Washington Lee University and George Mason University law schools In 1979-80 L D Gaughan took a sabbatical from W L to study family systems with Murray Bowen M D and his staff in the Department of Psychiatry at Georgetown University He was a member of the Virginia State Bar since 1967 From 1975-1999 he gave the annual keynote lecture on Family Law at the Virginia State Bar Association Conference As an attorney L D Gaughan consistently received the highest ratings for both legal ability and ethical standards AVR Preeminent™ from Martindale Hubbell He was also rated 10 out of 10 by Avo He was a founding member of the Professional Mediation Board of Standards a 501 C 3 board formed to frame and implement standards for professional family
