**MANIFEST DESTINY**

## **Cold Redemption Gallow:**

*Gallow: Cold Redemption* Nathan Hawke, 2013-08-08 I fought against your people and I have fought for them I have killed and I have murdered I betrayed my kin and crippled my king I led countless warriors to their deaths and fought to save one worthless life I have stood against monsters and men and I cannot always tell the difference Fate carried me away from your lands from the woman and the family I love Three hellish years but now finally I may return I hope I will find them waiting for me I hope they will remember me while all others forget Let my own people believe me dead lest they hunt me down Let me return in the dark and in the shadows so no one will know But hope is rare and fate is cruel And if I have to I will fight

*Empires: Extraction* Gavin Deas, 2014-11-20 This groundbreaking collaboration between two Gollancz authors tells of the invasion of Earth by two different alien races at the same time Two men become aware of the threat and must work to sabotage the invasion plans and see off the aliens Each book follows one hero uncovering the threat to humanity and the world from their point of view Each book can be read on its own and will give the reader a complete kinetic fast paced military SF story But read both books and the reader gets something else another view of some of the same events and crossover points culminating in a bloody battle at Canary Wharf The two books can be read in any order but together they tell the story of humanity caught in the crossfire between two deadly alien races who have made Earth their battleground
