## **Cold Touch Cari Hunter:**

**Cold to the Touch** Cari Hunter,2015-12-14 Winter in the Derbyshire Peaks months of knee deep snow short days and rocketing crime rates Detective Sanne Jensen is living in self imposed isolation and quietly falling apart while Dr Meg Fielding Sanne s best friend and occasional lover is struggling to cope with her violent brother who is back in town and demanding money that she doesn t have When the murder of a drug addict is dumped onto Sanne s already unmanageable caseload she suspects the death may be the start of something more sinister But how can she investigate a crime when no one cares about the victim And how can she stop a killer who has no identity no motive and no conscience    *A Calculated Risk* Cari Hunter,2023-09-12 Detective Jo Shaw has it all worked out She s good at her job she has loads of mates and she likes being single She doesn t need complications but an emergency call to the stabbing of a young woman brings plenty of those Jo has to risk her career to save the woman s life and a bad night gets worse when the trauma surgeon turns out to be Isla Munro Jo s only real love who walked out on her fifteen years ago and never came back With the victim s children missing and the husband the prime suspect Jo s investigation is stonewalled by a community living in fear As one dead end leads to another she and Isla are forced to put their differences aside and work together But the case is far more dangerous than Jo realizes and her determination to sort the truth from the lies may put her own life on the line    *A Reunion to Remember* TJ Thomas,2016-04-12 Jo Adams and Rhonda Black reconnect after ten years apart Rhonda s twin daughters were Jo s best friends in high school With the significant age difference Rhonda cannot believe Jo twenty years her junior will want to be with her long term JJo knows what she wants but can she convince Rhonda she s in this relationship for the long haul JRhonda feels caught between a desire to explore a new opportunity for love and the daughter whose response she does not understand Can she and Jo navigate the reactions and responses of Rhonda s family and deal with their own fears and doubts to find a lasting love    *Murder on the Rocks* Clara Nipper,2016-04-12 JMurder is a seductive story that keeps Detective Jill Rogers hypnotized and soothes her road hungry feet Money and murder the world s most fascinating subjects Jill quit romance when she left Sophie Walsh the love of her life starved and hurting Love is for sunny squishy people and Jill is dark JA few things Jill knows for sure the more violent the crime the closer the relationship is between victim and murderer Murder investigation is a two piece puzzle One piece is the crime scene and it forms half the picture the other is the witnesses and suspects Ideally the two halves come together and form a complete whole and the case is solved If they don t either Jill made a mistake or someone is lying And she doesn t make mistakes    *Stealing Sunshine* Tina Michele,2016-01-18 In the heart of the Sunshine State beyond the mouse ears and magic is a city growing with art and culture However in a dark room grows a plot of greed deception and revenge twenty years in the making Belle Winters has made a successful life and career in art Although she s never known a real family she dreams of having her own someday unfortunately not with the carefree Tara Hicks Tara keeps herself in constant motion from job to job and from woman to woman a technique she has
