The Cambridge Companion to Music in Digital Culture Nicholas Cook, Monique M. Ingalls, David Trippett, 2019-09-19

Digital technology has profoundly transformed almost all aspects of musical culture. This book explains how and why [The Boyfriend Sessions](#) Belinda Williams, 2014-10-23 Even a relationship junkie knows not to date her best friend's brother. I'll admit fleeing the country after a Frenchman's romantic proposal wasn't one of my finest moments. Now that I'm back in Sydney my girlfriends have announced that I'm a relationship junkie with commitment issues and want me to swear off men for six months. Ouch! Their extreme rehabilitation plan involves a weekly girls' night so they can pick apart my colorful relationship history. And it gets worse: my best friend Maddy is including her older brother for a male opinion. I never noticed how gorgeous Max is before. When we were growing up he was always kind of shy and nerdy but now he seems to have no trouble speaking his mind. And did I mention he's sweet too? I don't know what my girlfriends are so worried about though. I can totally survive six months without a guy. And it's not like I'd be tempted by Max. Maddy would kill me. Except I hadn't counted on him being quite so irresistible. Or my past relationship history coming back to torment me. Please send help.

The Praxos Academy Complete Series Boxed Set SG Turner, Suzy

Turner, 2019-10-06 Two sisters. Two strange tattoos. Two lives about to change beyond recognition. Firstly they're about to learn that supernatural beings exist. Secondly despite being adopted they're about to learn they're connected in ways almost impossible to comprehend. And thirdly those supernatural beings mentioned above. Well these two sisters are about to learn that they're exactly that: supernaturals. Adopted sisters Lana Beth and Emma Jane are polar opposites: not only is one black and one white but they couldn't be more different in character either. And when the same strange tattoo suddenly appears and winds its way up their bodies within days of each other they soon realize there's more to their relationship than they could ever have imagined. Sent off to London for two weeks of so-called work experience the Morgan Sisters soon find themselves being initiated into the ancient Praxos Foundation one that protects the innocent while fighting evil both human and supernatural. A series full of action and adventure it's the ultimate fight between good and evil. S.G. Turner has done it again. Her books get better and better this had me gripped from the start. Such an incredible story. The Morgan sisters are powerful ladies. Wish there was a sequel to continue the story of the Morgan sisters' journey as adults. Love all the books and
