Space Opera Saga Stories:

Dawn Saga Box Set Zachariah Wahrer, 2019-04-10 Desperate to restore their once majestic place amongst the stars humanity seizes every planet within reach Under the control of an aging galactic empire xenocide is routine For most the Akked Galaxy is a grim hopeless place Dispatched to subdue a separatist uprising a government operative unearths an ancient relic It somehow knows everything about him even his darkest secrets The strange device promises extraordinary power but can he trust it A small group of diverse survivors both human and alien are led to a backwater planet by a vague prophecy It declares they are the only ones capable of stopping the impending apocalypse Before they can learn more the peaceful world is thrust into chaos Can they hold back the menacing darkness The four book Dawn Saga intertwines multiple viewpoints into an epic sci fi tale exploring human nature evolution and the future If you enjoy Dune The Expanse or Ender s Game you ll love the Dawn Saga _____ What readers are saying about the Dawn Saga books Very entertaining very enjoyable Recommended Excellent literary level of science fiction The story is packed with so much mystery and action that it is hard to put down I am looking forward to reading more from this author for years to come If you like to read at night BE CAREFUL this book could well keep you awake all night Fast moving space opera fun to read Page turner Very good read _____ The Dawn Saga Book 1 Breakers of the Dawn Book 2 Harbingers of the Dawn Book 3 Destroyers of the Dawn Book 4 Liberators of the Dawn Dawn Saga Short Stories Jaydon Subscribe to Zachariah s newsletter and receive this short story free ZeQuest Dhayaa Anbajagane, 2015-09-26 The lies are abundant The truth Rarely so Armorica was an ancient planet filled with luscious fields towering forests and crystal clear streams And now it was going to be destroyed When Armorica s very existence is threatened by an enemy planet Q is left with no choice but to take matters into his own hands and prevent a inter planetary massacre from breaking out But one question remained unanswered How was he supposed to take down an entire planet Thrilling Plot twisting and mysterious ZeQuest explores the nature of a selfish world where nothing is ever what it seems to be Book 2 of the 1 Bestselling Space Opera Series The Quest Saga Author interview Q So what makes the Quest Saga so special A What makes this series special is that it dares to go beyond cultural norm and fuse together fantasy and science fiction an ideal that only star wars has pulled off so far Overall this is an action packed adventure that promises to be exciting and thrilling on every single page and I ve made sure there s never a dull moment Q What kind of series is the Quest Saga A It s a mix of things basically which makes it really hard to select a proper genre for it I d say it s primarily a Young Adult Space Opera book That makes you think it s Science Fiction which is partly true but this book has strong elements of Paranormal fantasy which is initially weird to think about I was very worried if people would like books which fused together dominant elements of both Fantasy and Science Fiction in a Space Opera Space Exploration world Then Scott Terry a NYT bestselling author of the Young Adult Science Fiction Series The Game is Life told me he read my books and said it resembled Star Wars a lot First of all that was an amazing comment to get from a Action Adventure

Author like him and then there's the added advantage of finally figuring out a niche for my book. So now instead of calling it a Young Adult Space Opera I'll be calling it The book that resembles Star Wars or maybe A young adult Dystopian space opera. Q Why should readers give these books a try? A Well I'd say if someone wanted a quick easy read with action packed adventures this is the novel for them. Most people love space exploration adventures and this one combines them with another amazing story tool magic. So if you want to know what would happen if magic existed in a high tech space world this is the book for you. Q How many books are in the Quest Saga? A I've planned this out to be a series of five books. So far there are three stories and I'm actively writing the next two in the series.
